works of Doctor Cupid, very hard he studies for the prizes
fessors of flirtation, and to learn to love each other is the

to be won. The works of Doctor Cupid Are to
golden rule. (KATE) You'll find that there are very many

me a mystery, Pray start your little class of one, I
men considered wise Who cannot read the lessons written

KATE.

will your pupil be! 'Tis time your lessons were begun
in a maiden's eyes. (GEO) I'll take a lesson every day.
So come along with me, with me.
From school I never run away.

Just you and I, Go a-strolling side by side.
Underneath the crystal stars. That gem the eventide.

Say that you'll
try To study hard for me, To

learn to love your teacher Is your A, B, C.

Just you and I, Go a-strolling side by side Under-

Just you and I, Go a-strolling side by side Under-

a tempo.
