When You Know You're Not Forgotten,
By The Girl You Can't Forget.

Words by
ED. GARDÉNIER.

Music by
J. FRED HELL.

Valse moderato.

Gently the breeze

"Roses may fade"

sighs thro' the trees,

answered the maid,

Two sweet-hearts

strolling alone,

She heard him say

sun shine to gloom,

But in my heart

at dawn of day,

"Far from your side I must roam,"

tho' we're a-part

Love for you ever will bloom,

Dear ere I go, just let me know,
Thro' weary years thro' smiles and tears,
You won't forget me.

Get when we part, one who loves you
faithful and true,
Dear Heart you'll

Fondly and true, it cheers a sad lonely heart.
When you return, that I'm still waiting for you.

CHORUS.
"When you know you're not forgotten, by the girl you can't forget..."
When you find the girl you left behind, Is thinking of you yet, 'Round your heart a feeling stealing, Comes to drive away regret,

When you know you're not forgotten,

By the girl you can't forget. When you get.

When You Know You're Not Forgotten. 9
