Dear Mr Woodiwiss

Many thanks for your letter & the enclosed cheque and for which I send you a receipt. I am glad you like the picture so much. I have just had a very nice letter from the Holman Hunts' all about the "Belle Dame"-which is gratifying.

I am off tomorrow to Tunbridge Wells for a short holiday and to think of what I am going to do

next- and to shake off the effects of influenza which still hangs about me-

With kind regards

Believe me

Yrs very faithfully

I reply to your question about {?Russels} I have not had the picture photographed nor allowed anyone to reproduce it in any way-
