Might y soon. How you used to shine
For a spoon. Did n't think he'd see

Through the i-vy vine And each tree. Won't you
Some one else with me, Had no fear. But you

throw your light some where to-night and guide my dearie back to me?
turned that bright old sky spot light up on me, and I lost my dear.

CHORUS

My hon-ey! Why, oh why did you leave me, When you knew it would

I'm just pinin' for you - 3
grieve me? Though you wouldn't believe me, Honest, I was all true
blue; You've robbed my heart of all its gladness,
And you've filled it with sadness; I ain't whining. But

I'm just pin'in' for you. My honey!
