Love Never Dies

SONG

Lyric by
EDWARD A. PAULTON

Music by
HENRI BERÉNY

Moderato

Voice

A flower blooming bright today, Tomorrow hangs its head, they say:

Comes a wind and its petals are shed

A songbird in the forest, free, The heaven fills with melody

From its note, with freedom gone, joy is fled.
The moonbeams,

which o'er ocean lie, In silver join earth, sea and sky But a cloud

breaks the bond too soon Love may pass as that silver ray,

As a rose, wither and decay, As a song in a tear 'twill die.

Love never dies
Con moto

A-fec-tion such as I bear with no flow-er com-pare

Tho' we must part it will live,

The wrong I do, pray for-give.

My heart is full of grief.

Yet I ask no re-lief.

Dear, have we loved in vain.

The song birds voice is mute,

Joy will come ne'er more.

Love never dies
Tempo di Valse lento

Read in my eyes, Love nev-er dies, Put your arms round me and cheer me.

Hearts may not break But mine will ache When you no more are near me

Sweet-heart to you I will be true, Loves chain of ros-es we sev-er.

Kiss me once more, Once as of yore, Then good-bye our love's dream for ev - er.

Love never dies
come purlato

(Violin) Sweet heart I will be true.

My heart aches for you

Sweet heart to you I will be true Loves chain of roses we sever.
