Said oh play it for me
Till it drove him insane
There's a feeling
Women chased him

comes a stealing What's that melody say
and embraced him He could hear them implore
It sounds silly, but
What's that ditty that

go on Willy I love to hear you play it, play it.
sounds so pretty Oh play it just once more encore it.

CHORUS

Rum tum tum tum tum tum tiddle Was the thing He played up-

Rum Tum Tiddle 3
on his fiddle That melodious tone just seemed to
croon Honey love, Honey love, Honey love 'Round my heart you've raised a riddle and the
answer lies right in the middle of this musical strain Won't you play it a
gain.
