Sometimes when someone needs something,
Something could change someone's world, dear,
Something could

make someone glad,
Why shouldn't something help
Something could make someone

brighten the sky,
Some-thing could make some-one

Some-one,
Why should that some-one be sad?
If something only would try.
You are the something I mean, dear, I am the
Some one is waiting and hoping, Hop ing to

someone so blue, Love is so hard to ex have someone near, I am the someone, who's

plain, dear, I only know, I need you waiting, You are the something so dear

CHORUS

Like the roses need their fragrance, Like a sweetheart

That's how I need you 2919 - 3
needs a kiss, Like the summer needs the sunshine, Like a
Lad - die needs a Miss, Like a brok' en heart needs

gladness, Like the flowers need the dew, Like a ba - by

needs its moth - er, That's how I need you,

That's how I need you 2919 - 3
