Number one, two, three! Daddy, this is me;
Harry stubbed his toe, Playing Buffalo;

Come home right away.
Mabel fell down stairs;

Since you left this morning, Daddy dear,
Wilkie's chasing Jack around the flat;

Many, many things have happened here.
Everything is fine, outside of that.

Daddy come home 4
CHORUS

Daddy, come home! Close the factory and hurry up home! Won't you come to me?

Johnny stole my mittens, My brand-new Sunday mittens;

Outside... of that, the cat just lost her kittens.
Daddy, come home! Johnny's punching me, and I can't hold my own. Ma found a lock-

et of a girl in your pocket, Daddy so you bet-

-ter come home.
