long;

Night shades are gathering,
Till I'll be warbling,

I'll join you soon,
Love's old sweet tune,

We'll be strolling shortly
To the only one I

you and I, In the valley of the moon,
ev'er loved, In the valley of the moon.

Chorus.

In the valley of the moon, Where I met you one night in

In The Valley etc. A
June, when I passed you by, thought I heard you sigh, While the night-birds were in tune, I was lonely, so were you. There was nothing for us to do, But to lose our hearts both you and I, In the valley of the moon. In the moon.
