Andante

A dear little girl and a dear little boy looked
The dear little girl and the dear little boy grew

out at the drizzling rain, And the tears filled her eyes And
up as most children do, And one summer day they went
ran down her cheeks, Like the drops on the window pane; So he
wandering away, On the road that makes one of two; She was

said: "Don't you cry, You will see bye and bye, That a
sweet, he was good, And they loved as they should, Till a

rainbow bright will shine on high, There are always rain clouds
dark cloud came, do what they could, But she said she'd make up

in the sky, And I'll tell you sweetheart why?
if he would, For she'd always understood:

It Takes A Little Rain With The Sunshine
CHORUS

'Cause it takes a little rain with the sunshine,

That it

Like the tear drops come with the smiles;

But the troubles never come all at

one time,

Just wait a little

It Takes A Little Rain With The Sunshine
while, re-mem-ber, Flow-ers could-not grow with-out

rain, dear, Happi-ness we share with the

pain, dear, Cause it takes a lit-tle rain with the sun-shine To

make the world go round. Cause it round.
