going to war They've got their orders To sail the waters With heavy
battle because They've been invited To go and fight it And so they're

heart they start for a foreign shore They're not excited They're just
determined to win and they'll never pause Until they take 'em And then they'll

lightened To go and shake them, make them stand up and roar make 'em With head erect respect America's laws

Like they never did before Give three cheers for them because

They're on their way etc 4
CHORUS

They're on their way to Mexico
Just see those

Yankee fighters, foes exciters
Gettin' ready to go
They're on their way
to win the day
Just take a

look at those Yankee brothers
Waving to their grey haired mothers,

They're on their way to 4
Good-bye they're leaving, Good-bye stop grieving Don't cry
they're glad to go. They'll make them run like a herd of cattle. They'll know they've had some battle Way down in Mexico.

They're on their way etc 4
