Feverish anticipation of loved ones  
Painful meditation; the distant, deserted sea...  
The singing of the stream  
Above a grave  
Tree full of songs  
Homesickness  
Sensational memories float like perfume through my mind...  
The snow falls, the wind screams, and the storm rages; yet in my sad heart, the tempest is the worst to behold  
Prophetic voices  
Rockets that fall back down to earth  
Desire of a young girl  
Night ride  
On foreign soil, under a night of stars, thinking of my beloved faraway  
Stormy sea  
Raindrop  
Hades  
She told me, "I love you"  
Divine curses  
Wings, wings, that I may flee to you, o my beloved!  
Funeral march  
Solitary return, to the place of confession  
Rebellion  
Playing water faeries  
Of blood, of earthly pleasure, of death
