A - ri - zo - na wild and free You're al - ways
When the sun-set fades a-way Each night a-

dear to me I love you true Sun-kissed meadows
lone I stray with ach-ing heart And the night winds

of the west The one I love the best She loves you too
seem to sigh "Why did you say good-bye Why did we part?"

But my heart is sad today
Though the town is gay tonight
And lights are far away
I'm all alone.
Can't you hear me burning bright
I'm feeling blue.
Waiting hearts grow calling you
Oh! won't you come back home?
Wear-y dear
But mine will wait for you.

REFRAIN

Come back to Arizona where the skies are blue.

Come Back To Arizona. 9
Come back where you can own a heart that waits for you, so lonesome. Come little girl put my love to the test,

Come to the best little nest in the west. Come back to

Arizona I love you.
