Come On And Baby Me.

Moderato.

I think that a baby's life is simply immense,
Way back in my baby days they taught me a pray'r,
They never beg for a kiss,
I don't know how it began,

Some one said a baby hasn't got any sense,
Mother used to prompt me as I'd kneel by her chair,
Having no sense must be bliss,
Each pray'r would end with "A man!"

When I look back to the past,
I'm still the same little kind,
I know I grew up too fast,
"A man" is still on my mind.
Chorus.

If you want me to love you, Come on and baby me, Come on and baby me,

I've got such a lovable nature, Feed me lots of baby talk, or I'm gonna hate yer,

Maybe I'm not a baby, I know I'm over three, But you can baby me,

Please don't act bossy just like my Dad, Now don't be cross, Teach me love's A B C;

Play rockin' horsey, Bounce me upon your knee, Come on and baby me.
