Don't you wish you had a home, To love someone

all alone? You look better, Mister Man, to see,

With a little baby on your knee; Just to pass the

time away At the close of day, Say!

How would you like etc.
CHORUS

How would you like to bounce a baby on your knee? (Some baby)

How would you like to bounce a baby from Paris? (French baby) How

would you like to take me, Rock me to sleep at

night, And in the morning wake me? How would you

How would you like etc.
like to come and fasten on my shoe? {ench morning) How would you like to come and tie my garter too? {at dawn ing} How would you like to steal me, And carry me home with you? you?

How would you like etc.
