We meet a - gain,  
You told me when

we meet a - gain;  
we'd meet a - gain;

I told you I was coming back to you.  
That you would give your answer; "yes" or "no?". I am

know in your heart how I love you,  
here and I'm wait - ing, my dar - ling. 

There are oth - ers who love you too. 
There is no one who loves you so.

Chorus

They call you a jewel— a jewel so rare, From the dia - monds that
shine in your eyes. Your smile, too, is golden, there's gold in your

hair. You're a prize that they all idolize. Without you their

sunshine would not be complete. The wealth of the world they may lay at your

feet. But if I had the giving there's one thing I'd do, I'd give

Heaven and Earth for you. Earth for you.
