Just A Little Song At Twilight.
(Who Do You Sing It To Now?)

RICHARD HOWARD.

Moderato

Once in the dear dead
days I don’t regret those

days

Back in the days of long ago
Honey I’m glad I lived them all

Once in the dear dead
I don’t regret my

Honey

Honey you know I loved you so.
I only answered love’s sweet call.

Although the years have

slowly rolled along
I can’t forget how you sang to me
Love’s old sweet song,
cause our love went wrong.
For if you sing it too often you’ll tire of Love’s old sweet song.
CHORUS. Moderato

Just a little song at twilight. Who do you sing it to now? Who do you sing it to now? There's

someone new in the arms where I belong. She's listening too, to the charms of my old song. Oh honey.

dear I don't suppose she knows. That you ever sang it to me. Oh honey. dear say does she think that it's a

brand new melody. Why it's just a little song at twilight.

My little melody dearie. Who do you sing it to now? Who do you sing it to now?

Just a little Song etc. 2
