Moderato

Take a tip from one who knows, all you single men,
If you've a girl to call your own, Don't ever leave her all alone.
If temptation comes her way, will she pass it heart's delight? Take my advice and treat her right.

Slowly Till Ready

It's a tough thing now-a-days, picking out a girl,
So when you find your by day,

That's a question, so my suggestion is, Watch her on the sly.

Do a rave to 'em, be a slave to 'em, That's the wisest way.

CHORUS

Keep your eye on the girl - ie you love, There's a beau that you know nothing of,
Keep your eye on the girl - ie you love, Just be sure that she's your turtle dove,

Who may be there to call, when you're out of sight, Of course, she may not fall,
Don't take a chance and intr - duce your best pal, For if she likes him best, good - bye to your gal,

Never leave her for more than a day Cause there's hundreds that lose 'em that way,
She may kiss you good-night by mis - take, Call you Clarence, when your name is Jake,

So keep your eye up - on your girl, Bill,
So keep your eye up - on your girl, Bill,

If you don't, some other fellow will Keep your will
