joined in syncopation to the time of that entrancing slide.
old time religion, listen to the Aunt Jemima slide.

CHORUS

Oh that Aunt Jemima slide, How they sway from side to side,

Ev'ry body's doin' the Wicki-Wacki Woo-in' and the Deacons begin to shout

(Spoken) "Parson must be losing out" When that saxophone starts to groan

How the darkies do dance and mean Aint no use of talkin' You

got to keep a walk-in' When they play the Aunt Jemima slide.
