GARDEN OF LIBERTY

SONG

Lyric by
ALFRED BRYAN

Music by
HARRY TIERNEY

Tempo di Marcia

There are many flowers in creation Some are

fairer than the rest One was planted by our
wondrous nation That's the one I love best

There's a rose and may it bloom forever And a lily

pure and tall Just three flowers blooming

in one garden We love best of all

Garden of Liberty 4
CHORUS

The American Beauty and the English

Rose and the fragrant Fleur-de-lis

Wet with blood of a million hearts that have

bled for Democracy

Garden of Liberty 4
Side by side may they bloom with pride From now through eternity And our hearts will
glow as we watch them grow In the Garden of Liberty

The A-ty

Garden of Liberty
