Give Me The Moonlight, Give Me The Girl,

Voice

I never worry if a girl is bashful—
or if a girl is shy—
There are different ways to win a girl—
I thought I tried them all.

I never worry if she has that "dirt you dare to kiss me" in her eye,

But every time I seemed to have them going—

I could never make them fall.

I never worry when I want some loving—

Until at last I thought the whole thing over—

Then hit upon a plan—

You may wonder what I do,

there is nothing strange about it,

here is all I ask of you.

I'll admit it's nothing new,

I've told you all about it,

and perhaps you'll try it too.

Chorus a tempo

Give me the moon-light, give me the Girl and leave the rest to me.

Give me a babbling brook, Give me a shady nook where no one can see.

Give me a bench for two, where we can bill and coo, and mine she's bound to be.

If there's anyone in doubt, and they'd like to try me out, Give me the moon-light, Give me the Girl and leave the rest to me.

Give Me The Moon-light, etc.
