Go Lad And May God Bless You

SONG

Tempo di Marcia

Lyric by HAVEN GILLESPIE

Music by HENRY I. MARSHALL

The bu-gle call'd to the boys to march a-way
The last faint ray of the sun has died a-way

In the throng stood a mother old and grey
All alone sits a mother old and grey
Her thoughts went back to a by-gone day
Sixty one the blue and grey
The beat of drums was in her prayers we

sound-ing down the way.
hear his mother say,

As she kiss'd her boy fare-well he heard her say
May heav-en guide and keep him on his way
