It's Time For Every Boy To Be A Soldier

Lyric by ALFRED BRYAN

Tempo di Marcia

SOPRANO

Most ev'ry fellow has a sweetheart
Boys of America get ready

Some little girl with eyes of blue
Your motherland is calling you

My daddy also had a sweetheart
Boys of America be steady

And he fought to win her too
For the Old Red White and Blue

There'll come a day when Yankee Doodle
we must pay the price of love and duty

CHORUS

It's time for ev'ry boy to be a soldier—
To put his strength and courage to the test

It's time to place a musket on his shoulder—
And wrap the Stars and Stripes around his breast

It's time to shout those noble words of Lincoln—
And stand up for the land that gave you birth

"That the nation of the people by the people for the people Shall not perish from the earth"

It's earth—
