Radio Operator Remains
At Post Despite Wounds

SIXTH ARMY GROUP, FRANCE—Pfc. Martin L. Ito, a radio operator of the 442nd Japanese American Combat Team, while wounded, kept calling the aid station for "medics" and litter bearers to care for the wounded.

His father, Yenkichi Ito, resides in the New England area.

The club boasts a lounge where one can relax; a place to stock clothes, baggage, and other things; a writing room, music room, room for ping pong and other games, and a "putter shop" where one can spend his time sand-craft. Every night there is some sort of entertainment, including dancing every Wednesday night.

On Saturday nights, at 6:30, supper is served free of charge, preceded by entertainment from 5:00-6:30. Sunday mornings, breakfast without charge is served.

Friends and relatives of servicemen should inform them of this friendly invitation and should they do so, yell then to ask for Mr. Eloise Hirt, a staff member, who will always be there.

NEW ENGLANDER LEAVES

Roland A. Barnard, WRA relocation officer of the New England area, left Monday morning. He had been here since Saturday, March 30, to explain relocation and opportunities of the New England area.

BOYS LEAVING FOR DUTY GIVEN SEND-OFF

A capacity audience attended the send-off ceremony honoring the 28 reservists leaving for active service at Ft. Douglas, Utah, from the Poston I High School auditorium Monday night.

Following "To the Colors," by the Unit I Boy Scout bugle corps flag salute, and the singing of the national anthem, master of ceremonies Takeo Monita read the roll of the boys leaving for service. Mitsuo Menda, who was not on the project when notified, was scheduled to report at Ft. Douglas from Salt Lake City. Another reservist, Joe Ushiyama, 30-4-D, although called, could not leave due to complications. Besides the boys whose names were listed in a previous issue of the Chronicle, Frank Sakamoto, 12-2-A, and Frank Nakamoto, 368-3-C left.

Speakers were Project Director Duncan Mills and Community Council representative Sakizo Yoshikawa. A musical selection played by violinists Mary Yamamoto and Hisako Sunakoa, and a vocal solo by Tetsu Nagase concluded the program.

MANZANAR BOY HELD IN LA FOR LACK OF DRAFT CARD

Ben Nakaji of Manzanar, while waiting for the next train to Chicago at the Los Angeles Union Station, was asked to produce his selective service classification card by a Los Angeles police officer. As nearly as the police department could piece the thing together later, Ben, who is 21, became a bit flustered, didn't have his classification card as the law demands and so was packed off to a special "tank" maintained for draft evasion suspects at Lincoln Heights jail, where he was sent up to 11:30 a.m. of the next day.

The WRA Los Angeles office heard about it and through speed investigation, Ben was (cont. on Unit I page)
Policies regarding visits to the center by persons discharged from West Coast hospitals, relocation assistance for those on trial indefinite, grants for enlisted reservists, movement of property, deadline on property in WRA warehouses, and visits of soldiers' wives are among those told in Post-Exclusion Bulletin No. 7, issued March 13.

DISCHARGED PATIENT

There has been some misunderstanding about the policy, stated in Post-Exclusion Bulletin No. 5, governing center admission of persons of Japanese ancestry who are discharged from mental institutions and tuberculosis hospitals in the West Coast area, the bulletin says. Since such persons, although discharged, are frequently in need of personal attention, it is important that they be reunited with their immediate family members at the earliest opportunity. The relocation officer in the West Coast should effect such a reunion by developing a relocation opportunity for the family residing in the center. When this is not an immediate practicality, he may, through negotiation between the field officer and the center, visit the center for relocation planning.

ON TRIAL INDEFINITE

Evacuees on trial indefinite are eligible to apply for relocation assistance any time within 30 days after the expiration of the leave, according to the bulletin. This provision does not apply to persons on seasonal leaves. The latter group must apply before expiration of the leave permit (as originally issued or subsequently extended) in order to be eligible for assistance on the same basis as center residents.

This statement will clarify a seeming conflict between regulations, in previous instructions, governing the time limit on trial indefinite leave people who apply for relocation assistance.

NO GRANTS FOR ERC BOYS

Members of the Enlisted Reserve Corps will not ordinarily be eligible for relocation assistance since they are subject to active duty almost any time residents are reminded. The one exception, however, is that he may be eligible for assistance if he is going out in company with one or more of his immediate family members to assist them in getting re-established.

MOVEMENT OF PROPERTY

Because there are a number of cases where evacuees leaving the centers wish to relocate to one place for a few months' work and then later rejoin family members in another locality, a WRA ruling specifying that personal property may be shipped only to the point of relocation is being changed so that hereafter any center resident eligible for property transportation may have his property shipped to any point he may designate regardless of whether this coincides with his initial relocation destination.

DEADLINE ON MOVEMENT

All evacuees other than excluders, who have property in storage at WRA warehouses, shall be required to remove such property not later than 15 days after revocation of the general exclusion orders, or by April 2, 1946. Evacuees returning to the previously evacuated area shall be required to remove such property no later than 60 days after returning.

However, if the person is not ready to receive the goods because of certain circumstances, he may apply in writing to the appropriate area supervisor for an extension of the 60-day period, giving full justification, and may be given up to 90 days additional.

SOLDIERS' WIVES' VISITS

Hereafter, wives of soldiers on furlough or wives of enlisted reservists may accompany their husbands on center visits even though these are social ones.

Visits may be made by immediate family members of these men whenever it appears this may be the final family reunion before the man enters active duty or is reassigned. Advance field office approval is not required.

328 LEAVES FOR PHOENIX; MEETS HI-Y TO-NIGHT

Wearing the All-Poston "A" crown which they garnered by virtue of their 24-18 victory over the Unit I Blackbirds, the 328 quintet was scheduled to have left for Phoenix this morning to engage in a pair of stage tilts with the Hi-Y and AZA segregations.

The 328-Hi-Y fray is slated for tonight at the Phoenix YMCA hardwood floor, and the AZA takes the court against the local champs tomorrow night.

JOB OFFERED BY MOVIE STAR IN CALIFORNIA

During C.R. Carter's recent trip to California, he had an occasion to receive the following job offer. Victor McLoglen has a large number near Fresno and is interested in obtaining several families to work there. In order to accomplish this in an orderly manner, he wishes to start out with a couple who may bring children if they so desire.

The woman is to work as a domestic as a general assistant to Mrs. McLoglen; the man is to work as general handyman and gardener. They will pay $150 per month and furnish a cottage containing a living room, bedroom, kitchen, and bath with all utilities. The ranch is located near Clovis, to which there are school buses for both high school and grammar school children.

Gila, Miss Enssaki presented Hawaiian dances and Miss Amamiya, a member of the Martha Graham dance company, performed modern dances.

The party was said to be "a grand success."

POSTON I HIGH SCHOOL '44 ANNUAL HAS ARRIVED

Poston I High School's much awaited 1944 school annual, "Post-Amo," has finally arrived after over a year of delay, according to Donna Lapinekas, annual advisor.

Distribution was scheduled to have begun yesterday at the high school from 1-5 p.m. The balance to be paid for those who remitted the down payment of 75 cents last year, will be $.50. The unfortunate ones who have lost or misplaced their receipts will have to wait until the distribution has been made. Those who neglected to place their orders last year also must wait.

Sorry, it was so late, said Miss Lapinekas, and I hope everyone will be happy.

WEDNESDAY
ARLY HAS INDUCTED 17,600 JISEI TO DATE

SAN FRANCISCO—Approximately 17,600 American citizens of Japanese ancestry have been inducted into the Army since November 1, 1940, information received by the War Relocation Authority from the War Department reveals, Dillon S. Myer, WRA director, announced yesterday.

Induction figures include those Japanese-Americans from the mainland and those from Hawaii, approximately 50 per cent of the figure coming from each.

In addition to volunteers and inductees prior to the Pearl Harbor attack, 2599 have been inducted from WRA centers, Myer said, while 189 have been taken into enlisted reserve corps and 897 have been classified 1-A.

Crystal City Family Reunions Are Curtained

There are to be no further reunions of Japanese families at the Crystal City Internment Camp, except in the cases of those families that are already approved for transfer to that camp, Assistant Immigration and Naturalization Service Commissioner W. F. Kelly revealed in a letter to WRA Director Dillon S. Wyman.

Kelly added that as far as the reunion elsewhere of interned Japanese is concerned, no plan has been formulated, and no information whatsoever can be given at this time. When a decision is reached, all Japanese concerned will be advised regarding the matter through officers in charge of the internment camps and directors of the WRA projects. This should not be construed as an indication that there will be any further Japanese family reunions in camps under the jurisdiction of this service.

SIXTH ARMY GROUP, FRANCE—No group of men is held in higher esteem by the infantrymen of the 442nd Regimental Combat Team than their own Medical Detachment. Among the men of the medical aid team are two from Poston: Pvt. Kenzo Osa-ki 38-10-D and Pvt. Fikusa Kiritani, 309-1-A.

Working with the combat Team in the Vos­
res Mountains along the Franco-Italian bor­
der, a section of the 6th Army Group front, the medics are accom­
panying the combat and reconnaissance patrols on hazardous missions through the Alpine wil­
deresses, always prepared to render service regardless of the situa­
tion.

During the desperate battles for the ap­
proaches to the Italian seaport of Leghorn, the 442nd suffered heavy losses from ma­
dine gun, mortar and artillery fire from pro­
pared German posi­
tions. Although their response meant possible death because these men were often lying in front line of fire, others might be visiting their families to the rear. This did not deter the company aid men of the medics from crawling out to their aid treating them and evacuating them to places of safety where the riflemen still tell the story of the medics who crept within 35 yards of an enemy artillery piece, hastily sked a fallen woundedx wound, and dragged the injured over 75 yards to the protection of some shrubs.

Pamphlets from field offices have been re­
cieved here, and may be examined at unit reco­
nition libraries.

THREE VISIT TEN DAYS
IN ORANGE COUNTY AREA

Returning last week from a 10-day trip to Santa Ana and other Orange County points, where they looked after property interests, Rose F. Yoshida, 37-7-C, Natsuko Imamura, 38-12-B, and S. Kanno, 37-5-C, returned fine reception by their old friends and acceptance by the community at large.

VISIT NITTAS

While there they visited the Nittas, first family to leave this center to resettle per­
manently in California, and found them happy and busy. Quite a church celebration was held recently, they found, when Mitsuo Alan Nitta, son of Mrs. Nitta, was baptised in the Santa Ana Methodist Church, on his first birthday.

Mr. Kanno was a house guest of the Nittas during his stay. Mrs. Yoshida and Miss Im­
amura stayed with Caucasian friends. Miss Imaura was offered a position in several homes, but returned to the center to con­
sult her family.

LILY COOPERATES

The Nittas expressed themselves as being much pleased over the attitude of law enforce­
ment authorities in Orange County who are doing their best to insuire the peaceful resettlement of the Japanese-Americans who return there. They related one recent inci­
dent where a man who has attempted several times to frighten eva­
cuees planning return to their homes in that district came to the home of a resettled Japanese family at one night and demanded that a Japanese visitor in their home leave town immediately. The resettler refused, telling the intruder he (cont. on sports page).
THREE REPORT ON RETURN TO ORANGE COUNTY AREA

(cont. from city page)

had no right to attempt to take the "law into his own hands," and that his friend would stay as long as he wished. The next morning he called the War Relocation Authority office in Los Angeles and reported the incident. Los Angeles WRA called the attorney general's office in Sacramento who checked with the sheriff at Santa Ana. That very afternoon a deputy sheriff and a plain clothes man were at the Japanese home to get details of the happening and the name of the man who had attempted to make trouble, saying they wanted to get at the bottom of it all and find out who was in back of the trouble-maker, so action could be taken to stop such behavior once and for all.

After investigation, they returned to the resettler's home and reported they had warned the man not to repeat the offense or stern action would be taken. They also said their investigation had shown that no group or other person was backing the trouble-maker, who proved to be an irresponsible individual who does not represent the sentiment of the community.

FUTURE PLANS

Mr. Kan no and family will return to his ranch at Talbert, near Santa Ana, to resettle, in the immediate future. The Yoshidas plan to leave for their Santa Ana home very soon.

RUMOR CLINIC

It was RUMORed that a news broadcaster over Denver Station KOA reported the sorting of a Japanese American by the San Francisco post office had started a riot, that people were gathering; and three homes had been burned, according to R. B. Cozzens, assistant director of WRA, in San Francisco.

RUMOR FACTORY got busy: Granada checked with the WRA office in San Francisco.

RESULT: it was found this rumor was a fake one, prompted by some unknown source. Postmaster-M'r Charlie of San Francisco said no Nisei had been hurt and none of the rest of the story is true. No riots, no burnings could be found in San Francisco. The O.W.L.

Anti-Discrimination Law Passed By Empire State

New York became the first state in the Union to set up a special, permanent State commission charged with the specific task of eliminating discrimination in employment because of race, creed, color, or national origin, when Gov. Thomas S. Dewey signed the Ives-John Bill on Thursday, March 12.

The nation's first anti-discrimination law, which becomes effective July 1, sets up a commission of five members, each to be paid $10,000 yearly. It directs them to eliminate discrimination in employment by conciliation, persuasion, and mediation where possible, but it authorizes the commission to issue orders, subject to court review, when the other means fail.

The commission will also promote better relations between minority and majority population groups through educational and community agencies.

The reasons for the bill are indicated in the following section: "... that such discrimination threatens not only the rights and proper privileges of its inhabitants, but manmaces the institution and foundation of a free, democratic state."

Gov. Dewey stated that New York is leading in the objectives of this measure as a noble signal on the national, tolerant, and understanding of the members of the commission.

"... and shall be reviewed at the close of this month to ascertain by protest, and the circumstances of his birth," a concluded.

OVERALL COUNCIL CHOOSEN BY LOCAL BOARDS

Joe Takeda Tells Own Reaction to Scare Attempt

That his family is satisfied that the attack on his home does not reflect the feelings of the people of Soutaia County and San Jose against his family or any other returning evacuees, was expressed by Joe Takeda in a letter to James & Kinsho, WRA relocation officer at San Jose, recently.

He stated the nine members of his family in the home at the time of the attack were satisfied it was perpetrated by a few individual things. He said all of their Japanese friends had been cordial. The report that they had left or were about to leave their home was entirely without foundation. Phil Nakamura, Mr. Takeda's brother-in-law, was the only member who had left San Jose, as he was reporting for Army induction.

The attack on the home occurred March 5, after they had been more than a month in San Jose to which they had returned from Park, Utah. They were in Belford until 1943. Needing and by smoke, they fought fires in the home. In his letter, Takeda reported to the sheriff that all of his family -- putting out the five, main, original several times that several con fires those days.

The balloon junk from which gasoline had been poured in the incident, attacked, and in many the East, in a bell, was found. It was found telephone

FILIPINOS SEEK RETURN OF PROFESSIONAL MEN

A recent meeting of the leaders of Filipino communities made the following recommendation to the district allocation officer in Stockholm that three or four professional people, such as doctors and dentists, return to their homes as soon as possible so that Filipinos can be worked out.

Antonio Gonzales, president of the organization, says that the Filpinos have a great deal of respect for professional men, and would welcome them back to the community. It is believed doctors, dentists, and other professional men would soon be able to work up a good following in the community due to scarcity of such services.

PRESIDENT ROOSEVELT DIES
Nation's Chief Succumbs to Hemorrhage

President Franklin D. Roosevelt, only man to hold the office of chief executive of the United States for more than two terms, died this afternoon at Warm Springs, Ga., following a cerebral hemorrhage, the Associated Press reported. The news was announced by the White House at 5:15 p.m. EST.

Funeral services will be held Saturday afternoon in the East Room of the White House. Burial will take place at Hyde Park Sunday afternoon.

The official cabinet met immediately following receipt of news of the President's death and arrangements were made for Vice-President Truman to take the presidential oath of office at once.

Flags throughout the center were immediately lowered to half mast when word of the President's passing reached here. Tentative plans for a memorial service were being made at press time.
WASHINGTON, D.C., April 12—Harry S. Truman of Missouri was sworn in as 33rd president of the United States Thursday at 7:09 p.m. EST.

He took the oath of office less than three hours after Franklin Delano Roosevelt died of a cerebral hemorrhage at Warm Springs, Georgia, at the age of 63.

Truman took office in the Cabinet room of the executive office in the White House.

Roosevelt died at 3:00 p.m. Central Time. About 11:15 today, he had complained of unconsciousness after complaining of a very severe occipital headache, and never regained consciousness after then. The death occurred after he had been at Warm Springs for more than a week.

A White House statement said: "Vice President Truman has been notified. He was called to the White House and informed by Mrs. Roosevelt. The Secretary of State has been advised. A Cabinet meeting has been called."

"The four Roosevelt boys in the service have been sent a message by their mother, which said that 'the President slept away this afternoon. He did his job to the end. As he would want to do. Bless you all and love,' adds Mrs. Roosevelt. She signed the message, Mother."

"Funeral services will be held Saturday afternoon in the East Room of the White House. Intermum will be at Hyde Park Sunday afternoon. No detailed arrangements or exact times have been decided upon as yet."

**SYMPATHY EXPRESSED BY COMMUNITY COUNCIL**

That he be convey to Mrs. Roosevelt their deep sense of personal loss and sincerest sympathy in her bereavement, was asked Dillon S. Eyer, director of the Community Council, in behalf of all the residents of Boston, in a telegram sent Friday, April 13.

**PROJECT HOURSE THE PASSING OF CHIEF EXECUTIVE**

The death of President Roosevelt comes at one of the most critical times in the history of this nation and of the world. This tragic loss brings home to us more keenly than ever the realization that a just and lasting solution of the problems which beset the world depends upon the intelligent and wholeheartedly cooperation of all men of good will. I call upon the people of Boston to dedicate themselves anew to the task at hand, confident in the belief that each of us can, by his work and by his daily living, influence for the better the course of history.

Duncan Hills

We are heartily sorry to lose a man like President Roosevelt who has led this world and this country.

Tsunoo Sumida

The sudden death of President Roosevelt is not only the greatest loss to this nation but also the greatest blow to the cause for the future peace of the whole world in the hands of Mr. K. Yoshinaga
Tats Kushida, former Poston resident now employed with the WRA field office in Kansas City, Missouri, arrived recently and will be in the center for several weeks. Stationed in Kansas City since January, 1944, Mr. Kushida has recently had the opportunity to visit Rockford, and Chicago, Ill., and Madison and Milwaukee, Wis. As a result of this trip, he bears messages from a number of Poston re-settlers to their friends and relatives still in the center.

Mr. Kushida's visit is primarily to inform prospective re-settlers as to sentiment, housing facilities, job opportunities, and other subjects in the North Central Area. He will welcome interviews from Issei who may have questions relative to relocation in this area, which includes Chicago, Milwaukee, Madison, etc.

PLOESER PRAISES POSTON RESIDENTS' INDUSTRY

Stating that he would rather work with the Nisei than a good many of the narrow-minded Western Americans, Alfred T. Ploeser, former vocational training supervisor here, spoke at the regular weekly luncheon of the Bay Shore Lion's Club, Wednesday, Feb. 7, at Long Island, N. Y.

He said the Japanese he met were far more industrious than anyone else he had ever seen and that he couldn't condone the fact that they were discriminated against by Californians and other Western States.

Prior to coming here, Mr. Ploeser was an engineering student in the Merchant Marine Academy at Kings Point. He is now in his former post at Bay Shore.

"The industry of the workers amazed him," Mr. Ploeser said. All the workers were adept at learning and conscientious at their specific jobs. They built their own schools, and were willing students, with a craving for scholastic learning. The schools were built of adobe bricks.

NEW WORKER FOR OFFICE OF CHIEF OF MANAGEMENT

Mrs. Mary Frances Horner is the new secretary in the office of Dr. John W. Powell, community management chief, having begun work there Thursday.

Miyoko Furukawa, long-time secretary, departed for Philadelphia Tuesday night.
While we patiently wait for the cry of "play ball" to sound once again, let's take time out and reminisce of the good ol' days when the Vista Panthers and Golden Bears reigned over the diamond pathways.

Do you softball fans still remember the first All-Star softball selections made by the Press Bulletin (Chronicle to you), back in August of 48? None other than Vista's "immortal" George Sutica was the top choice for King of the Moundsmen. With everything from a curvacious curve to a tantalizing slow ball on his windmill delivery menu, George's selection was unanimous.

Named as the most dependable fast ball was Aki Mochizuki of the Golden Bears; Delano's Leroy Mishima was first choice at the initial sack; swerving for Orange County, Ray Furuta was selected to hold down the key short bag; River Vista's Kobe Shoji was elected for the "hot corner"; speedy Terry Okida of Valley garnered honors for the shortstop position; and the trio of crack outfielders were Ernie Mizuno (Golden Bears), Osilla (River-side), and Kawano (Indians).

No one will ever forget the thrilling softball duals between the Vista Panthers and Golden Bears which attracted thousands every time these two nines clashed. They both batted their way into the crucial final playoff series for the "A" championship and after each had one win and a tie tucked away, the Golden Bears edged Vista, 2-0, to annex the championship crown in the final game of the playoff series.

Facts on acceptances, the opportunities for post-war employment, chances of the Nisei to open businesses in the city, what kind of weather the city has and what kind of assistance you may get when you arrive in New York, are told in a descriptive pamphlet titled "When You Arrive in New York," which was issued by the relocation office recently.

The pamphlet opens saying that the Resettlement Council of the Japanese American Organization has extended its helping hand and sent a number of people they had hoped to offer assistance to those that came to New York. This council was organized in spring of 1944 by including representatives from various groups, such as the JACL and a number of church organizations. They organized for the special purpose of assisting evacuees who are interested in relocating to New York.

The group felt sure that the Japanese would be accepted in the city since the city is populated by people from every country in the world. A Corvette can walk almost anywhere in the city without being subjected to special attention. Because of its size, friendliness, and wealth, a person can find a job in his chosen line of work at prevailing wages. Issel and Nisei are working as mechanics, and kitchen helpers, architects, auditors and bookkeepers, stenographers and bell boys and a number of other types of job. Since New York is not primarily a industrial city, it has not had a war boom. Therefore prospects of post-war employment are far better than in any other place.

There are approximately 100 Nisei-owned businesses of which most of the trade is with Caucasians. Many of these are prospering in metropolitan New York. Thirty of the businessmen in a recent survey reported that in the past few years they have experienced almost no discrimination because of the war, and that the prosperity of their business increased during the past few years. Most of these places have been open for at least 15 years and are more with the exception of them being in business for over 25 years. Some of them are located in the busiest section of the city. The Nisei businessmen are profiting in a great many ways; such as operating restaurants, nursing, barber shops, and dental laboratories.

With "Corvette K-225" and "Song of the Open Road," scheduled for showing the College Board Club Post I will sponsor double feature showings Thursday, April 19, and Saturday, April 21, at the Unit I elementary school assembly hall.

The Thursday showing will be at 6:30 p.m. The Saturday showings will be at 6:30 and 9 p.m., with a matinee scheduled for 1:30 p.m. Saturday.

Tickets are 25¢.

RESIDENTS RETURN TO SACRAMENTO SAFELY

Word has been released by the Unit II Relocation Office that the eleven families who left Poston for Sacramento, Calif., on the second of this month, have reached their destination safely, acquired taxis and left for their homes soon after they were detained.

Treatment by railroad officials during the trip was reported to be excellent by Toichi Hamamoto, who was in charge of the special car. He secured four limousines at the depot from the taxi company for those who had not yet obtained them, and their final destinations were reached without encountering difficulties.

It has been recommended by Mr. Hamamoto that evacuees leaving the center by train be furnished with food for the trip so that waiting in line will be avoided.

This special car had been attached to a United States Troop Train.

BUDDHIST SERVICE FOR TOMORROW MORNING

Chairman for the "A" Sunday school group tomorrow morning will be Yuriko Takata and Rev. B. Fujimura will deliver the sermon.

Hatsuko Eto will act as chairman for the "B" group and Rev. C. Sakow will be the guest speaker from Camp III.

IN APPRECIATION

As I was unable to return as I planned, I wish to take this means to thank all of you for your kindness extended to me and my family during our stay here.

Together with their first impression received on their return to California is a story of the returnees reunion with their dogs, how the little animals remembered their masters—overjoyed in their happiness to have them back with them again. Even a little dog remembers the friendship extended them even if three years have elapsed.

In nearly all the experience of the returnees, we hear that the neighbors or their former bosses, for whom they worked loyalty in the past and whom they have always thought to be true friends have changed into a intolerant human being. On the other hand, a former mere acquaintance puts out a warm hand of welcome. Behind this, must be the effect of the war on the individual. Some have learned to be better, others whom the disaster has hardly hit at all, feel no change towards the returnees.

BRINGING BACK THE EVER FAMILIAR "PLAY BALL" TO CAMP III, THE FIREMEN DEFEATED THE 328 YANKIES, 9-8, IN A GAME PLAYED LAST SATURDAY AT THE YANKIE STADIUM. THE YANKIES WERE THE FIRST TO SCORE BY BRINGING IN TWO RUNS IN THE SECOND INNING, ONE A HOME RUN BY N. Nakamura. NOT TO BE LEFT BEHIND, THE FIREMEN CAME UP IN THE THIRD TO ALSO SCORE TWO TOLLIES.

Tied up, 4-4, at the end of the fifth, the Yankees broke loose on a little spurt started off by a hit by F. Yamane. A Fujimoto followed through with a homer, bringing in both runners. Scoring twice more, the Firemen made a total of four runs in the sixth.

The Firemen again came up from the "tail end" of the "charlie" position in the 7th and 6th to score 4 runs, in addition to one tally in the sixth, to bring them up to a one point lead over the Yankees to which they held to the final out of the ball game.

Batteries for the game were Fireman-2, Earl P. Yamanaka-2, Tatsuo Fujimoto-1.

WITNESS OFINQUEST OF Chicago Fall Victim Tells Facts in Case

Regarding the death of Riuye Fuji, who on Friday, March 16, succumbed to an injury believed to have been received when he fell while suffering from a heart attack, John K. Brenton of Chicago attended the coroner's inquest for the deceased, according to the Chicago WRA office.

Statements were made by two police officers and by Harry Fuji, the son of the deceased. There was no direct evidence presented although one of the officers obtained a statement from a neighbor that he had seen some boys lurking behind a building on his way home. The officer felt (cont. on Unit I page)

COUNCIL TRANSACTIONS BUSINESS AT FINAL ASSEMBLY

The last session for the old members of the Community Council was held Thursday, April 12.

The transportation expense of $97.89 for the basketball team that went to Phoenix two weeks ago, April 4-8, was approved and paid by the council.

In appreciation, Miss Mitsuko "Mickey" Fuji-kawa, secretary to the Community Council for the last two years, was given a farewell gift of $25 before her relocation to Cleveland, Ohio, yesterday.

It was decided that Elmer Yamamoto will attend the arrangement at Phoenix on April 23-27 for the evaders of the selective services observer for the Community Council.

EMPLOYERS BOUND TO TAKE EMPLOYEES BACK AFTER SERVICE IF FIT

Under the Selective Service Act, provisions are such that any person inducted into the land or naval forces under the Selective Service Act subsequent to May 1, 1940, shall be restored to his position or to a position of like seniority, status and pay, provided:

(1) He has left such position (other than a temporary one) to perform his training and service; and

(2) He has received a certificate certifying to the satisfactory termination of his services; and

(3) He is still qualified to perform the duties of such position; and

(4) He makes application for reemployment within 40 days after he is relieved from training or service.

These provisions also pertain to employees of any state or its subdivision.

After an employee has been restored to his position, his seniority shall not be lost, and he is entitled to participate in insurance and other benefits as though he had been on a furlough or leave of absence. An employer cannot, without cause, discharge an employee within one year after reemployment. If an employer does not comply with the provisions, the employee may bring an action in the District Court of the United States and force him to do so and to compensate the employee for any loss of wages or benefits suffered (cont. on Unit I page).
WOUNDED BOY'S MEDAL RECEIVED BY PARENTS HERE

Mr. and Mrs. S. Goto, 38-1-D., were the recipients of a purple heart medal sent from their son, Pvt. Tom Goto, a member of the 442nd Regimental Combat Team now fighting in Southern France. The parents received the medal last Wednesday and as to the injury, the actual date is not known although the parents recently received a letter from their son stating that he had sustained a slight hand injury but was ready to return to front line duty. Pvt. Goto, 26, is formerly of Watsonville, Calif., graduating from Watsonville High School. He entered the service in March, 1941, going overseas last August. A brother, Pfc. Sam Goto, is also in France, fighting with the 442nd.

CITATION RELATES STORY OF G. I.'S BRAVERY

Citation ordered Friday, March 23, by Gen. Alexander M. Patch, that Pvt. George T. Sakato of Glendale, Ariz., be awarded the D. S. C., reading: Pvt. George T. Sakato, infantry, United States Army, for extraordinary heroism in connection with military operations against an armed enemy on Hill 617 in the vicinity of Biffontaine, France on October 29, 1944. After his platoon had reduced two defense lines during which he personally killed four Germans and captured four, his unit was pinned down by heavy enemy fire. Disregarding this fire, Pvt. Sakato made a one-man rush that encouraged his platoon to charge and destroy the enemy strong point. When his squad leader was killed, he cocked an organized enemy attack with fire from his submachine gun and directed his squad's guns until the platoon could rally. Always scoring the enemy from defense lines, by his gallant courage and fine spirit he turned impending disaster into victory and helped his platoon complete its mission. Entered Military service from Arizona."

BOY LEAVES; BOY TO LEAVE

Watru Okiro, 327-10 A, left Sunday for Douglas. Katsumi Ueda, 36-5-a, is scheduled to leave Wednesday, not having left last Sunday.

"CORVETTE K-225" AND "SONG OF THE OPEN ROAD" WILL SHOW AT THE UNIT ONE ELEMENTARY SCHOOL HALL APRIL 19 AND 21. TICKETS ARE 25c EACH.
CALIFORNIA IS SUBJECT OF OFFICER'S TALK

A survey of the general wartime situation in California, was presented to an audience composed largely of prospective returnees to the West Coast, at a meeting held last Friday evening in the elementary school library by Curlies R. Carter, relocation program officer.

His report, based on his recent trip to the Los Angeles area, included the only seven known instances of open racial discrimination known to have occurred among the 579 returnees to the Los Angeles area. Employment, he stated, was not a problem in the Los Angeles area alone, there are 21 businesses, including a dime store and cosmetic factory, which are wholly run or operated by Japanese-Americans. His survey revealed, that aside from the housing shortage, the situation in the Los Angeles area was encouraging for returnees from relocation centers.

C. S. EXAMS SCHEDULED

Particularly for people interested in jobs at the Tooele Ordnance Depot, a civil service examination will be given Thursday, April 19, at 1:30 p.m., in the Unit I high school typing class.

The examination will be given and ratings will be available the next day. This examination is being given so that people will not have to go to Tooele Ordnance Depot in order to take it. All persons are eligible to take the examination.

A regular civil service examination for clerical employment, will be given Saturday afternoon, April 21, at 1:30 p.m., in the Unit I typing class.

WITNESS TELLS WHAT WAS REVEALED AT INQUEST

One of the officers described the wound on Fuji's face as an "I" shaped cut and said that this was not the probable effects of a blow but that it corresponded with an angle iron sunk in the ground at the spot where he was found. He felt that it was quite possible that the deceased has suffered a heart attack and had fallen on the iron. As for the loss of the pocket-book, he accounted for it by boys who would rob an unconscious person.

The officers indicated that the case was not over as far as they were concerned. The description of the pocket book was recorded as further evidence might be found.

STIPULATIONS TOLD

(cont'd from front page)

JAPANESE AMERICANS REVEALED AT INQUEST

The testimony indicating violence was that Fuji's coin purse containing some $2 in change was missing, and his left trouser pocket was inside out when he was found. He did not regain consciousness, and made no understandable statement.

RELOCATION

Cleveland, Ohio—Cincinnati recently opened a second hotel to be called the "Family House" and will be reserved for evacuees family groups, according to Harry E. Titus, Re
location Officer for Southern Ohio. Rever-
end Junc Yamazaki will be in charge of the
new hostel.

The hostel is located two doors from the American Friends Service Committee Hostel at
Winslow and Oak Streets. It is a large well con-
structed 3-story dwelling house and, until recently, used for theological stu-
dents by the Episcopal Church. The Family
House is located in a fine residential sec-
tion with good transpor-
tation leading to the downtown area.

The rent for adults is $18 a month; for childrent the rate begins at $6 a month. Ar-
rangements can be made for preparing meals.

NISEI RELIEVE CLERICAL WORKER SHORTAGE IN D.C.

How the Washington, D.C., Community Work
Factory faced its clerical problem by hiring 15 Japanese Americans
"among the best em-

WRA's Comments on the All-Center Conference
Recommendations Told

W.R.A. comments on the recommendations of the All-Center Conference, which was held in Salt Lake City last February, were received by the Community Council this week.

A few comments to recommendations, are given below:

"Recommendation No. 2: That special governmental agencies or units be established solely for providing assistance to evacuees who might require funds in reestablishing themselves, (a) Resettlement aid (grants), (b) Loans.

"Comments: We recognize that many of the evacuees now residing in the centers will not be able to provide completely for their own support on the outside and that others will need loans to reestablish themselves in business or farming enterprises. It should be realized, however, that the practical problem of securing legislation and funds for a special agency is a very real one and, even if desirable, would require much time to accomplish. It seems highly unlikely that Congressional approval could be secured for such a proposal, or that a special agency is actually needed. As far as grants are concerned, both public and private welfare agencies throughout the country now have the lowest number of clients they have had in years and are in excellent position to furnish help for relocating evacuees who need financial assistance."

Resettlement Questions
Answered for Evacuees
In First of Letters

An "Information Letter," the first of a forthcoming series, was issued this week by the welfare office in reply to a request from the residents for a reliable questions-and-answers paper relating to the resettlement of persons who will need more than the average assistance furnished by the relocation division to relocatees.

Copies of these letters are being sent to each unit administrator and to the Chronicle. Written questions may be sent to the Counselor Project Welfare Office, Administration Building, Unit 1, to the Counselors or Counseling Aides in the Unit Welfare Offices, or to the Unit Administrators.

The first of these letters answers six questions, and is entitled, "Questions About Resettlement Assistance."

1. Q. In general, who is eligible for special assistance at the time of resettling?

A. Those eligible include (1) persons who will need public assistance for a long period; (2) persons or families who will need special services of a social agency; and (3) persons or families who will need initial grants for household goods or household running expenses for a short time.

2. Q. With whom should persons in need of such assistance discuss their resettlement plans?

A. With the counselors or counseling aides in the Unit Welfare Offices.

3. Q. How is the assistance secured?

A. The Welfare Section writes to the ARA Relocation Offices. The area offices make contacts with state, county and private welfare agencies.

4. Q. What agencies furnish the money and the special services?

A. Resettlement funds are federal funds coming through the Social Security Board and administered by local welfare agencies. Continuing assistance (cont. on Unit 1 page)
T.C.L.E.VE, TWENTY, WANTED FOR PLANTS IN DENVER

Twelve men are wanted for the U.S. Foundry, and another seventeen for a machine shop at Denver, Colo., according to Harley Asari, former resident of Unit I, who is here from Denver.

Persons who are interested are asked to inquire at or telephone the project relocation office in Unit I. Mr. Asari will probably be available there, but if he is not, persons are asked to leave their names. Mr. Asari expects to leave sometime next week.

THERE ARE AGENCIES TO HELP

CHICAGO, ILL.–Issei need have no fears of being a financial burden if they should become suddenly destitute, unemployed, ill, or meet death after leaving the Centers, an Issei resident of St. Louis informed the War Relocation Authority the other day.

Mrs. Haru Tanaka, who with her husband, owns a cafe at 2626 Market Street, St. Louis, Mo., employs a number of resettlers, one of whom died recently after a brief illness. To Mrs. Tanaka's knowledge, the deceased friend was a bachelor and had no close relatives.

Mrs. Tanaka prepared a statement in Japanese on how the Resettlement Assistance Fund was used to give the late George Yasumatsu Nakai an appropriate Christian funeral.

If anyone can inform Mrs. Tanaka of the whereabouts of the deceased's relatives in Japan, Mrs. Tanaka hopes the friend will get in touch with her. She wished to send the ashes to Japan after the war, if the deceased has relatives there.

COUNCIL SERVES NOTICE ON LAW BREAKERS

The Judicial Council is serving notice of warning to the public, that anyone apprehended in the act of gambling or selling intoxicating beverages, and anyone apprehended while under the influence of intoxicating beverages, will, upon their being found guilty, in open court, be punished severely by a heavy fine and/or incarceration in the project jail, or by both, according to the Council.

WANTED TO BUY: Tractor, track-type. See T. Katow, P.O. Box 97, Warm Springs, Calif.

HANDLE DESTITUTION CASES OF RESSETTLERS OUTSIDE

The late Mr. Nakai of Mye-Ken, came to St. Louis from the Colorado River Center to work in the Tanaka's cafe. Prior to evacuation, Mr. Nakai's address was Tucson, Pima County, Ariz. He became ill and died shortly after he entered a hospital for treatment.

Among his belongings was $69 in cash, which was returned to the Resettlement Assistance Fund, paid the hospital bill and funeral expenses. The funeral was entirely in personal affairs and in no way less than one would accord a close friend or relative, Mrs. Tanaka said.

Her statement follows: "Mr. Yasumatsu Nakai of Mye-Ken became ill in St. Louis and was being treated at a hospital, but at January 2 he passed away and funeral services were held at a Christian Church on January 7.

"On this occasion, the Social Security Board paid for his hospitalization, doctor's bills and funeral expenses, and we friends of the deceased are extremely grateful.

YEAR ENDING APRIL 30

Since Mr. Nakai's case was the first of its kind in St. Louis, I have been asked by the Social Security Board to inform other Issei of the services which it offers. I wish to emphasize the fact that Issei resettled by the Social Security Board should they become destitute, unemployed, ill, or in cases of death, for in all these instances the Social Security Board will offer help and the persons affected will not be under any material obligation for the services rendered them.

"To cite another example, Shiyokichi Kobayashi, an Issei, underwent an operation at the St. John's Hospital in St. Louis and his doctor's bills and hospitalization were all paid by the Social Security Board."

Mrs. Tanaka prepared her statement in Japanese which is available from the W.R.A. Board, Washington, D.C.}

GILA BOY INDICTED

Yukihiro Joe Witan, 20, Mie, from Gila, Arizona, was charged April 9, with destroying a steel pump shaft by cutting it into sections with an acetylene torch at Rivers Thursday, April 5.

He was ordered held for action in the U. S. District Court, and bailed in lieu of $500 bond, according to the Arizona Republic.
need public assistance. Moreover, the WRA has made special arrangements to transfer funds as needed to the Social Security Board for the Resettlement Assistance Program, which is designed specifically to meet the needs of people (such as evacuees) who have been affected by restrictive governmental action. Aid under this program is available to both citizen and alien evacuees in all parts of the country regardless of previous residence. WRA will make every possible effort, through its field offices and in other ways, to see that adequate and suitable funds are promptly provided for handicapped resettlers who need grants or other special kinds of help.

Recommendation No. 3: That the present relocation grant be increased. It should be given to every relocatee. The penalty clause on the present form should be deleted.

"We further recommend that federal relief be granted according to every individual's particular needs until such time as he is reestablished."

"Comment: Relocation grants are now made available on the basis of need and will continue to be. Make each resettler with a grant regardless of his cash resources be an unwarranted use of the taxpayer's money. The grants should be regarded not as a compensation or reimbursement for the loss, but as a form of assistance for those who temporarily lack sufficient cash resources to reestablish themselves in private life."

and special services are provided by federal, state and county welfare agencies and by private agencies, which agency takes the responsibility depends upon the individual circumstances.

"S. Q. 'Family of 4. Father, mother and 2 sons. Both sons in the U.S. Army, fighting in France. Father was a farmer in California but does not want to go back because of public sentiment around the home town. No financial resources whatsoever. Cannot go out to start farming elsewhere because of lack of funds. How can WRA help this family?'"

The family should first talk about where they wish to go. Their plans may be related to the plans of relatives or friends and plans will have to be discussed with the relatives or friends. Also, employment opportunities may affect their choice of location and they may wish to consult the Relocation Office about where to find a loan or the right work. When they have a location in mind they will be able to see better what they will need to establish their home.

The next step would be to talk over these needs with the Welfare Office. The form merely for the information of evacuees and is standard on all government forms of this type. It is intended to warn the applicant against giving false information on the application. The penalties for providing false information will apply whether the clause is included on the form or not. In view of the recommendation of the conference, however, the WRA has decided to delete this clause from all future printings of the form.
The 1945 softball season officially opened Wednesday as the Saints defeated the Delano Dukes in a 6-5 extra-inning thriller at Field 3 in the first city-wide open tournament tilt.

The white horsehide was literally a gray blur in the Poston duel as the ninth inning rolled around with the score tied at 5-5 since the seventh. With the Saints at bat, left fielder Omori reached first on an error, took second on a wild pitch, and third, also scored home with the winning run as the second baseman muffed Kinoshita's hard grounder. The Duke's lone chance of tying the score faded in the last half of the ninth when Sanematsu clouded a lofty fly to left field which was picked up by Hiroto and whirled to third where Sanematsu was tagged out in a close call.

Although Kinoshita, Saint hurler, issued 15 free passes, he is credited for pitching a hitless game while the Saints garnered seven safeties from Egg, Duke moundman, "Wimp" Hiroto paced the sluggers with three singles, while Omori and Otsu each slammed a single and a double.

"ANTI" AGITATION DECLARED NOT KEEPING FAITH

NEW YORK, N.Y.—Persons who stir up prejudice against Japanese Americans were denounced as "proachers of hate" serving, Hitler's purpose in a letter recently received by Leo T. Simmons, acting re-location supervisor of the Midwest Atlantic Area, from Adjutant Mirenal G. Staub of the American Legion's Captain Baldwin Brooks Post No. 450 in New York City.

A few weeks ago Adjutant Staub's post invited to membership the Nisei soldiers whose names were removed by the Hood River, Oreg., post from its county honor roll.

In his letter Adjutant Staub also declared that Japanese Americans are doing their part for the nation that our forfathers built and that "their ancestry is...not to be held against them."

Following are excerpts from Adjutant Staub's letter to Mr. Simmons: "By our prejudices, we are not keeping faith with our own overseas who are...fighting and dying to destroy tyranny, oppression, prejudice, and intolerance. What they are fighting to rid the world of, we are building up on the home front."

Long Years before the war in Europe began, Hitler planned his conquest by technique of Divide and Conquer—a simple yet doubly means of creating internal strife within a nation...With race, color, creed, and political holders pitted against one another it was simple for the Nazi blitz to overrun Europe. Hitler also had plans for the United States..."If we are to survive for all time as a truly great nation both physically and morally, we must all live together as one people, as Americans, unified in equality, freedom, and justice, without the shrouds of prejudice and discrimination hovering above."

YOUTH CONTINUED WORKING

Setting back the invading Mustangs of Unit II, 6-3, the fire­ men won their third consecutive game of the season last Satur­ day.

The winning firemen, backed by some good pitching by S. Nata­ ke, who struck out eleven men, were scor­ ed upon first by the Mustangs when they brought across two tall­ lies in the first inning followed by a third score in the second.

The third inning brought two scores for them on an error by the shortstop.

Having stopped the Mustangs from further scoring, the firemen pulled ahead in the fifth, sixth and seventh innings by scoring one, two and one run respectively.

Batteries for the game were: Firemen-S. Natake, S. Inouye; Mustangs-F. Hirayama, S. Hayashi.

No scoring was done until the first half of the seventh and final game when Camp III broke out with three runs with no outs and the tying run on third base. But, the next two batters tapped easy grounders to the pitcher for putouts while the third flied out to the third baseman to end the game.

Ono and Murase, who relieved Ono in the fourth, were felt for only five safeties including a circuit blow by Honda in the third. Honda and relief hurler Kitaheva also gave up five bingles.

Lil' Giants tied the score, 2-2, in the second and surged ahead with a 4-2 lead in the first of the third which was shortlived, however. Scoring at will, the Unit I nine scored six runs as the opposing hurler, Honda, allowed five walks and two singles in the last.

RED DEVILS, I RAMBLERS, 0

APRIL 25, 1945

Red Devils edged out the Ramblers, 1-0, in the second city-wide tourney fray at field 39 Saturday.

Although "Peacock" K.mahata's masterful hurling turned back 13 Red Devil batters via the strikeout route, a costly error proved to be the Ramblers downfall. The mishap came in the first half of the third when after Noto walked and reached second on a wild pitch. The next batter popped out to the catcher. Shiota followed with a "Texas Leaguer" over second base, but a hurried throw to third by the centerfielder who recovered went wild and only run of the game. Joe Ono, Red Devil hurler, whiffed nine and gave up only two safeties, while Kuma
tani was hampere d for five bingles.

Slugging two singles in three trips to the plate, Richie Shinoda, Red Devil centerfielder, paced the host of batters.

BATTERIES: Red Devils, Ono, Obata; Ramblers; Kuma

POSTON HIGH EDGES CAMP

Stemming a last inning rally and holding a one-run lead, the Poston I High School softball nine copped their first victory over the Camp III Lil' Giants at field 3 last Saturday morning.

The visitors tallied in the initial stanza as Ono gave two free passes, but the locals game back in their half of the first with two runs on two hits, two walks, and two errors.

The Lil' Giants tied the score, 2-2, in the second and surged ahead with a 4-2 lead in the first of the third which was shortlived, however. Scoring at will, the Unit I nine scored six runs as the opposing hurler, Honda, allowed five walks and two singles in the last.
MANHATTAN SHORTAGE HITS 220 AS THEY BOW TO CUBS

Minna a second base- man and center fielder, a seven man Mustang team better known as the 220 "clowns," lost their first league contest 11-7 against the scrappy 227 Cubs.

A. Kiyohara of the victors took the batting honors, collecting three hits in four trips.

ZEROS EDGE SHARKROCKS 10-6

Amazing six tallies in the initial inning, the 226 Zeros kept the lead to down the 221 Shamrocks with a 10 to 6 decision on the for- mers' home grounds for their first league victo- ry.

PANTHERS TOPPLE 219, 8-4 IN SECOND LEAGUE TILT

After dropping a close 3-2 decision to the Cubs in their first contest, the fighting Panthers came back to clip the 219 aggrega- tion 8-4 to stay in the race.

ZL... 3 TROUNCE PEASINGUS, 12-4

"Revenge is sweet" was no case as the 216 Zebras avenged their defeat in the basketball play-off as they easily coasted to a 12 to 4 massacre over their arch-rivals, the 211 Penguins in their season opener.

Aside the barrage of shots clouted throughout the contest, a pair of circuit bombs were blasted by T. Yokoyama and A. Yama- night, both of the victors.

CAISSONS DOWN BRONCOS, 9-6

Starting the season right, the mighty 216 Caissons managed to tally 3 runs in the last inning to squeeze a 9-6 victory over the Broncos on the 216 field.

LOCAL MEET TO BE HELD WEDNESDAY NIGHT

SUPPORT YOUTH CONFERENCE

LA WRA OFFICE DIRECTLY UNDER WASHINGTON OFFICE

made here by Dillon S. Myer, director of WRA.

"MINESWEEPER" TONIGHT

Playing on the screen tonight at the Swimming Pool theatre will be Jean Parker, Richard Arlen and Russell Hayden in "Minesweeper." An added short subject is also expected to play "Mystery Canyon," the fourth chapter of the exciting serial "Wild Bill Hickok" will also be shown. 
Perhaps it has always been as much elsewhere, but we notice that in Phoenix, or should we say in this unit, that once an ability in one person is recognized or he is put into an influential position, he will have loads of work piled on him. He will be chosen president of practically all the organizations and appointed on all the committees.

Administrators usually have loads of responsibilities piled one after another. C.A. Coordinators, mayors, Club presidents, etc., are in equal size shoes. Some students, such as our ace reporter who is known as a dependable kid, has a whole of outside activities to carry on. And the amazing fact is that he continues to do this work in this office at equal pace despite the heavy task, and this is very unusual in this office where most and work must go hand in hand.

Going back to the fact that one person is loaded with too much responsibility while others play no part for the benefit of the community or the club is so as that it is either that the person is the only one who will really take the work seriously or the work can be done by someone else but it just became the habit of this person to do all the work.

With many of the present leaders on their path to relaxation and camp, yet some months to go, leaders are conscientiously needed to carry on till the end. Such is one of the main reasons that Youth Conference in being held next week to build leaders for camp life as well as on the outside.

WASHINGTON COMMENTS ON

WRA Washington has commented on the recommendations of the all-center conference held in Salt Lake City last February. Two of the recommendations and comments thereto have been published in the April 21 issue of the Chronicle. The second comment was not published in full.

The remainder of the second comment, on the recommendation that the present relocation grant be increased, and given to every relocatee; with the penalty clause on the present form being deleted; and further, that federal aid be granted according to every individual's particular needs until such time as he is reestablished, was:

In cases where the relocation grant provided by the WRA is not sufficient to cover an individual's needs until such time as he re-

establishes himself, supplementary assistance should be sought under the Resettlement Assistance Program from the appropriate local welfare agency. In view of the increased tempo of relocation, Congress has been asked to increase the amount which may be transferred to the Social Security Board for the Resettlement Assistance Program between now and June 30, 1946, and is being asked to appropriate additional funds for this program to cover the period through June 30, 1948.

The next 4 follow:

"Recommendation No. 3: That long term loans at a low rate of interest be made available, without security, to aid the residents in reestablishing themselves as near as possible to their former status in private enterprises.

Speakers to Address Various Organizations

Special high school assembly in Unita I and III yesterday and the big kick-off meeting in Unit I last evening brought thou-
sands of Postonians to the first day's session of the Poston Youth Conference. With "Better Youth For A Better Community" as the slogan, the program moves ahead as already over one hundred ses-
sions are scheduled in all three units.

Unexpected but very welcome guests are Ms. Myrtle Tietzort, Girl Scout executive of Whittier and A. J. Roberts, Bay Scout executive of San Bernadino. Jean Farrell, recreation specialist for the State of West Virginia, will conduct an unusual demon-
stration of textile painting, Sunday, 2 p.m. in the UGC.

Many distinguished guests have already arrived and the grand total of 35 is expected before the week-end is over. Several teen-agers from Phoenix and 5 Indian students are included. Subjects for discussion include, "Etiquette," "Understanding Your Parents," "Vocational Opportuni-
ties," "You Can Be Better Than You Are," "Building Self Confi-
dence," "Parents Lose at Their Children," "Boy Meets Girl," "Club vs. Gang," and many others. Any organiz-
ation which has not yet arranged for a session may call Mihto Abe, program chairman for the O.A. office, 11:30, and a speaker will be assigned if one is available.
such as business, agriculture, fisheries, etc.

"Comment: WRA is now exploring every potential source of loans to be made to genuine evacuees, both governmental and private--for relocating evacuees. Because of the current inflation of values, we believe that evacuees would be ill-advised to secure long-term loans for land purchases at this particular time. Comparatively short-term loans for the restocking of business enterprises, the purchase of agricultural equipment and supplies, or other similar purposes, however, are definitely needed by many evacuees, businessmen and farmers. WRA will bend every effort to see that such loans are made available from some source to those wishing to reestablish themselves in their pre-evacuation line of endeavor.

WRA will establish offices at the centers which will attempt to locate facilities in the community to assist the evacuees who are starting over from scratch. Wherever possible and feasible, this will be done through the normal channels of the state and city governments. If local channels prove inadequate, WRA will establish special offices of its own in the various communities to aid the evacuees in securing the various benefits which the state and city governments are providing."

"Recommendation No. 4: That the WRA make every effort to obtain a return of properties, or individuals who have equipment and who will sell to evacuees on terms. Evacuees, however, should not expect preferential treatment or the granting of priorities which are not available to other persons."

"Recommendation No. 5: That the WRA make every effort to maintain installment payments, have lost the same; further, in order to prevent loss of property, to obtain some definite arrangement for the granting of governmental aid, as may be necessary, to evacuees unable, as a result of evacuation, to maintain installment payments."

"Comment: There are undoubtedly a considerable number of evacuees who have lost their properties, or who are on the verge of losing them because of inability to maintain installment payments. Although WRA is not in a position to take any direct action in such cases, it will assist evacuees, through its field offices, in trying to secure necessary refinancing from public or private institutions."

"Recommendation No. 6: That the WRA give financial aid to residents with definite plans, for the purposes of defraying the expenses of investigating specific relocation possibilities."

"Comment: Assistance of this type is now available to evacuees through the Federal Field Relocation Planning Commission, for the exploration of group relocation opportunities anywhere outside the West Coast area. This gives evacuees at the centers an opportunity to acquire first-hand information from their own representatives about sections of the country with which they are not familiar and provides a factual basis for evaluating relocation prospects.

"On the West Coast, however, there is not the same need for exploratory trips of this type; there is in other sections of the country. The evacuees, after all, have a first-hand knowledge of the coastal region--its agriculture, climate, and economic opportunities. We believe that any investigative trips center residents may wish to make in the West Coast should be at their own expense."

LARRY NAGANUMA RECEIVES
HONORABLE MENTION ON
CITY ALL-STAR SQUAD

Larry Naganuma, formerly of Poston (Unit II) and Lindsay, Calif., received honorable mention as a forward on the City All-Star Team of the Girls' Double A League, according to a release received from Milwaukee, Wis.

The 442nds, a Nisei girls' basketball team for which she played, concluded a successful season by defeating the Vagabonds, champions of the league, 26-12, in a post-season game.

Another former Unit II resident to make news in the sports world was Takao Yagi, who was recently named to the board of the Women's Athletic Association for 1945-46 on the Muskingum College campus in Ohio.

She is a sophomore majoring in chemistry. She is also the Sports Editor on the college paper and a member of the Kappa Sigma Social Club.

Nishida's Homer Sparks
Bombers 4-3 Victory

A home run in the last half of the last inning by Jack Nishida tied the score, 3-3, for the Bombers who went on to defeat the Shamrocks in the extra-inning, 4-3, in a tourney opener at field 30 Wednesday.

Nishida, twirling on the mound for the Bombers, hurled a two-hitter, while his mates touched Shamrock's Pat Shima and reliever Shibata for two safeties. First sacker Yamamoto tapped out a perfect 3 for 3 and Nagase, Tomimizu, and Shima each garnered two singles for the Bombers.

Kamins three regulars, the Bombers, nevertheless, held their own, keeping a 3-0 lead until the sixth frame when the Shamrocks tallied two runs on two walks and two errors.

Nishida's game winning four-bagger came in the final seventh with two away and one on. In the extra-inning, Ezaki was walked and Yoshimizu and Shimazu pounded out consecutive singles to send in the winning run.

BATTERIES: Bombers, Nishida, Shima; Shamrocks, Tanimoto, Shibata, Tai.

ENGAGEMENT REVEALED

The engagement of Emma Okasiki to Mas Kawashima, former superior of block managers of the executive committee, was announced to relatives and close friends by Kuraso Okasiki, the father, at an informal reception at the Okasaki home in Block 3 Monday evening April 23.

AMERICAN LEGION POST COMMANDEE AGREES WITH OKA

Following resignation of Harley M. Oka, from Hollywood Post No. 581, American Legion, William F. Schneider, commander of the Post, announced his own resignation from the post Thursday, April 20, according to the Los Angeles Times. Oka is the son of Mr. and Mrs. Isajiro Oka, 37-3-C. Schneider's letter of resignation set forth that the membership of Oka had brought "several causes by the Post War I veteran (PVA) Horton) who happens to be the 84th district commander."

"Personally," Schnei-

der wrote, "I see no other course than to resign as commanding member of this post and to seek to continue my comradeship with en-

lightened veterans in some organization whose leadership is less hos-

tile to the principles we have been fighting for."

Contrary to reports in Poston that Oka had been "forced" out of the Hollywood Legion Post, friends here have been advised that he resigned of his own free will and after mature deliberation. After the executive committee of the American Legion of California had approved the action of the District Commander, Horton, Oka, feeling that he was unwanted by the state and dis-

trict organizations of the Legion although happy in his associations in the Hollywood post, resigned his mem-

bership.

ONE SHOW, NOT TWO

KURATA CONVULSESING

Robert Kurata, 25, formerly of Poston, was operated on for an appendicitis attack. He is now convalescing, according to Frederick Van, Man District Relocation Officer.

Mr. Kurata, who was rushed to San Bernardino Hospital, March 24, from his home in Hialea was well re-

ceived by hospital of-

ficials, with no dis-

satisfaction by fellow patients. The orange grower had recently returned to his home from Detroit, Mich.

APPROPRIATION

May I take this means to express my appreciation to the hospital staff for their kindness to me during my stay at the hospital.

SATURDAY APRIL 24, 1945

YOUTH CONFERENCE BEGINS IN UNIT III; U. VARIATED PROGRAM TO BE PRESENTED

In accordance with the Youth Conference which began April 27 to continue throughout the month of May, the Conference Committee was held at the Miles S. Cary School last week.

The objectives of the conference are as follows: to continue the uplifting and enriching lives of all youths.

1. To present new activities and programs.
2. To introduce new activities to those not participating in any specific group. To recruit leadership lost through the previous program to those once resident.
3. To help individuals to participate in group experience.

In the present joint working approach to leadership problems by using training for leadership in the agency, the conference is interested.

6. To train paid and volunteer leadership for various group activities amongst youths.
7. Many speakers and participants are scheduled to be brought in to different settings and organizations to be worked with those who are interested in the development of youth activities and not to serve in any capacity.

The speeches and leaders to be present are those of the Youth Conference Committee.

In order that the Youth Conference may be a hundred percent successful, everyone in this unit is urged to give the fullest support and cooperation with the goals of the conference.

In addition to the things mentioned in the preceding paragraph, the Youth Conference is scheduled to have three of the once of new (1) Exhibits, (2) Sportstuffs, (3) Demonstration of Woodwork, (4) Girl Scout Display, (5) Games, (6) Ruby Exhibit, (7) Boy Scout Exhibit, (8) Group discussion and (9) Pork Dole Demonstration.

Responsible for the activities during this Youth Week are a group of three leaders: (a) Mr. Michael D. Belle Buckle (b) Mr. Victor III, and (c) Mr. M. Seto I.

"The_Relocation Office will be the office of the three leaders, and we will be glad to help with all work and problems that come up during this conference."
Bob Hirasaku, our ex-editor, has written to one of our staff members an interesting letter in his unique informal way about what to expect in the new life of resettlement around Chicago area so we are taking some out to have you all take a look.

"...the thing that must be worrying you, as well as the thousands of others left in Relocation (so-called) Centers, must be that WRA announcement about closing shop by the end of the year. Whether they will or not, we have no way of knowing, of course, but if they did, that will make it plenty tough for a good many of the people—and I mean many! For a young fellow, or even a girl, I think it's a cinch for them to come out to Chicago and make a living. There seems to be more jobs than workers, and if you're the type that believe in giving a man a good days work in exchange for a good days pay, you'll never have to worry about jobs. Sure the cost of living is high! Probably more, the time you decide to come out, but don't let that worry you... Millions of people are making a living... why not you? A place to live? They have apartments, not too plentiful and probably not too clean, but any port in a storm, you know... You must be getting lots of jobs offered you from this area—grab one, hop a train and come on out—what have you got to lose? Anything, anywhere must be a good deal better than that dump of dump! "You'll find the people on the train your..."
