Voice

Good-bye ev'ry body for we're going'cross the sea
When those Germans see us they'll have fifty seven fits

Going for a visit to some friends in Germany
We'll just take the Kaiser's crown and fill it up with Schlitz
They don't think we're com-ing but they'll
We know lots of other things we're

find out might-y soon Wait un-till they hear us marching to a Yankee tune
goin' to make him do And then we'll put him in a can and bring him here to you
