Jacky and Girls

Music by
JEROME KERN

Allegretto

Though men think it strange,
Every where you go,
From their manly fascinations;
The fact is, this act is a thing we're driven to.

Girls should need a change
Men are useful, so
Just collect them when you find them, Catch, twenty, that's plenty, I don't think you need more.

You don't have much fun, If you stick to one,
If they say you flirt, Don't be feeling hurt,

men have all such limitations Look round you, I'm
That's a way they have; don't mind them They tell us they're

bound you will find that this is true. At the
jealous, But that's what men are for.
