Making love, you're so wonderful,
Setting hearts a-flame,
To the poor and rich, you're the same.

Refrain.
Moon, now won't you tell us, tell us, dear old
moon
Don't you feel quite jealous When you see us

sitting here every night and spooning Moon, does little Cupid

live up there with you? What we love a-

bout you is you're just the same old moon.
