SO LONG SAMMY

We're mighty proud of you, Sammy boy,
While you are over there, Sammy boy,
We proved that you are true, Sammy boy,
Knowing you'll do your share, Sammy boy,

Though the time has come to part, There's something in my heart that seems to turn the sadness into joy;
There are many wrongs to right, Why we're in the fight, so fight with all your might, our Sammy boy.

We're sorry that you have to go. But you won't be gone for long I know.
For our faithful Sammy every day.

CHORUS

So long, Sammy! May good luck be your guide.
You've fill'd your dear old mam-mye's heart with pride.

Keep smiling Sammy,
Go and show what you can do;
We love you, Sammy boy!
Good-bye and good luck to you! D.C.
