NET GARNISHING REPORT REVEALS POSSIBILITY OF RAISING POSTON LIVING STANDARDS; ESTIMATE INCOME OF $115,000 TO $173,000 MONTHLY

Possibility of substantially raising the standard of living in Poston was offered in a comprehensive report submitted by four evacuee representatives who recently investigated the contemplated net garnishing project. According to the 4 investigators, Franklyn Sugiyama and Frank Kuwahara of Poston I, and George R. Ono and Kazumi Takeshima of Units II and III respectively who recently made a trip to the Gila center to observe at first hand the operations there, there was assurance of an additional payroll in Poston amounting from $115,000 to $173,000 monthly if the local Work Corps should decide to operate the 3 plants at full capacity of 1000 workers per shift.

REPORT WITH BLK. MGHS.

The complete report, written in both English and Japanese of which several copies were placed with the block managers two days ago, gave actual figures and data on the Gila garnishing plant. It stated that there was no appreciable amount of lint in the air, and that the work itself did not require great physical exertion. The compendium revealed that from a study of the actual production records a working crew with a little experience were able to average 1500 sq. feet a day, and that exceptional workers, under ideal conditions, were able to hit 2000. On the basis of 1600 sq. feet it was estimated that an individual was earning 90¢ per hour.

WORKERS DIVIDEND FUND

The statement recommended that if the project is approved by the work corps that the earnings be equitably dispersed among the net workers and members of the corps. The plan is based on a modification of the W. R. A. Plan No. 3, which provided for the establishment of a trust fund. The representatives' report refers to it as Workers Dividend Fund.

The recommendation was based on the premise that, while the net workers are entitled to a substantial reward, some compromise should be effected for those members of the work corps who are considered indispensable to the general welfare, such as doctors, subjugation workers, mess hall workers, etc.

EARLY VOTE IMPORTANT

The report emphasizes the necessity for an early decision on the following two points: (1) Whether a net factory is desirable here; and (2), If so, what wage distribution plan should be adopted. The emphasis was based on the ground that there is a possibility of the Government changing its plans. The compendium favored the plan of taking the decision by secret ballots on the basis of all work corps members of Poston and not by blocks.

CIVIL SERVICE TYPISTS AND STENOGRAPHERS WANTED BY WRA OFFICES

W. R. A. is offering to employ typists and stenographers in their eastern offices according to a telephone announcement made to the Poston Chronicle by Vernon Kennedy.

The positions will be open in Salt Lake City, Denver, Kansas City, Chicago and Cleveland. At the present time there are six jobs open. Each of the ten Relocation Centers are submitting two names and six will be chosen from the list. The position will pay $1440 and $1620 a year.

It was indicated by Mr. Kennedy that only those who are on the civil service register are desired. Interested applicants may apply at the three Employment Offices.

The representatives, while stressing the need for early action on the matter, proposed that certain assurances should be obtained in writing from the contractor.

Some which they suggested were: (1) All workers be covered by accident insurance and all State and National laws relating to safety, health and sanitation be complied with; (2) The contractor recognize the Fair Practice Board to handle grievances and bargain collectively as the elected representatives of the workers; (3) All workers be hired thru the Poston Employment Office and that merit employees of the Center be given first opportunity for employment; and (4) A minimum wage guarantee for beginners.
BETTER HOUSING FOR UNIT I RESIDENTS TO BE REALIZED SOON

Better housing facilities for Poston I's 9000 residents began to be realized today as block carpentry crews prepared to install partition material which arrived in the project.

As announced by Unit I Administrator John Evans, the partitions are being built under a Master Plan with gypsum board lining, doors, hardware and other materials assigned by the Housing Dept. in cooperation with the Block Managers.

The blue prints and instructions for the installations were furnished by C.E. Popkins, chief of construction, and his superintendent, Roy Anderson.

Complete details of the master plan were announced at a Unit I Block Mgrs. meeting on Thursday.

SOCIAL VISITS TO OTHER CENTERS RESTRICTED

"No short term leave to another relocation center for social reasons will be issued," stated the Leave Office "as Military will not approve evacuee travel through evacuated areas for social visits."

SUPPORT YOUR LEADERS!

Poston consists of people from various parts of the west coast. Naturally it has required time for everyone to know each other. Through association, people have come to show their qualities. Thus leadership is gradually coming to the front. It has taken time, some surging forward like a comet and then fading away while others have continuously proven their right to be recognized as leaders of the community. With conditions as they are, much time has been required to show the true qualities of leadership.

Since we are probably going to live in Poston for a long time if we do not take advantage of the opportunity to resettle on the outside, once we are able to decide who are to be seen as the leaders, every possible support and confidence must be placed in them. Because of the hardships which everyone has gone through, a tendency has developed to criticize everything without any constructive alternative. The changes which are going on in the personnel of the various departments clearly indicates this fact.

The Issei leaders of the various communities represented in Poston were taken in by the FBI at the outbreak of the war for internment. This is one of the reasons why new leaders have had to come forward to take their places. If the communities had been able to evacuate intact, there would have been little trouble in determining the leaders, according to comments heard frequently.

The quality of leadership is going to depend upon the attitude the people adopt. If they continue to bicker about small things and crucify those endeavoring to serve the residents with the best of intentions, there will eventually be no one with ordinary intelligence who would care to work for the general welfare.

If the councilman or any other representative is elected, unless he shows that he is unfi t for the position, the people he represents must place confidence in him. This is the only way in which anyone can continue to serve. No one should be expected to come back to the block for every decision. The judgment of the representative must be respected. At the same time, it is to be expected that every consideration will be given to the views and attitudes of the people in making the decision.

No one can deny that the life of every leader has been most difficult. For sticking thru the trials and tribulations, we must give them a vote of thanks. And now that conditions are settling down, we hope to see a greater understanding and harmony come between the representatives and their constituents so that self-government may have a fair chance in Poston.

"SCHOOLS WILL BE A MONUMENT TO ITS BUILDERS"  
SAYS DR. CARY IN SIGNIFICANT ADDRESS

Among the outstanding congratulatory talks made at the ground-breaking ceremonies of the Boston II schools Monday afternoon was the significant address made by Director of Education, Dr. Miles E. Cary, who served eighteen years as principal of the McKinley High School in Honolulu. He was responsible for the gift of $500.00 which the McKinley High students gave to the Boston Schools at Christmas.

Dr. Cary said, "This occasion is full of meanings--meaning for the immediate future and meanings for the future years that lie ahead". He remarked that there are some people who may look upon the construction of the school as part of day's work--dirty work to be gotten away. I think there are many parents who are not just making adobe bricks, but rather helping to build a cathedral, a cathedral for their children who are going to be stirred to do better school work, stirred to take a pride in making Boston more beautiful."

Dr. Cary continued, "More beautiful than the present, there is something to leave behind when they leave this place as a monument to its builders." He concluded, "As far as the spirit of our children are concerned, the building of these school buildings is most important thing that can be done for them here in Boston, and whether we will use them two or three or five years is of secondary importance.

The important thing is that they have the opportunity of working in good-looking school buildings is that they may be able to develop a pride in their school."  

Dr. Cary cited great improvements in the school system and the recent installation of students' chairs, desks and the textbooks

took their 6th straight.

227 IN CRUCIAL WITH
222 IN TABLE TENNIS
TIP OFF TONIGHT

With only 227 between
them and the league
championship, the
undefeated 222 Table Tennis team, led by
the Iowanagas, will be
battling to stave off
227's bid to throw the
league into a tie to
tight at the Rec Hall
227.

Showing good balance
throughout, the youths
227 era's stand a
better than even chance
to throw a monkey wrench into Iowanaga's plans.

In the women's division, 227 also stands a
chance to knot up the league by winning.
Should 222 lose, 227, 226 & 222 will be tied.

220 DEFEATS CLIPPERS

Getting in their final
licks before league play opens Sunday, the 220 "A's" trimmed
the 222 Clipper "A's" 36-28.

Expected to be the
weak sister in the AA
league, the 220 team,
led by Nakamura, had a
fight on their hands
before subduing the
Clipper by an 8-point
margin.

TERROR JUNIOR'S LOSS AGAIN

Taking another dump-
ging, this time at the
hoof of the 214 Devil
B's, the 213 Bees continued their losing ways with a 20-14
beating in a rough game.

SHAMROCKS' BEE'S WIN OVER 219

A taller block 44
team, displaying dead-
lier shooting, easily
defeated the 227 Vigi-
Bante Juniors by a 27-
10 count.

Taking the lead from
the opening whistle, the 44 Falcons netted a 11-6
halftime advantage. With Takeo, Akehoshi, Tanaka, Na-
Kamura and Chino hitting the basket with
regularity, the Falcon Jr's extended their lead, coasting to a 27
to 10 win.

Kajihara led 227.

PENGUINS EDGE OUT SHAMROCKS, 36-30

With both teams play-
ning heads up ball, the Penguins proved to
click better when the heat was on to take a
hard fought 36-30 win.

Headed by the Hirata
brothers, the Shamrock managed to stay in front of the fast Pen-
guins all through the
first half to lead 22-
20. But the Penguins
sporting their flashy
uniforms and led by
dead-eye Nakazaki took away the lead at the end of the third
quarter. In the fourth, the Penguins kept swis-
sling the hoop to build a 6-point lead. The
Shamrocks fought back desperately but failed to catch the fast scor-
ing Penguins.

518 A's DEFEAT 225 B's IN CLOSE GAME

Overcoming a 3-point
halftime deficit, the Terror A's took a nar-
row 1-point 20-19 win
on the 215 A's.

The two meet again

POSTON 3 TO FORM PLANNING BOARD

CUSTOMERS TO SAVE CANTEN RECEIPTS

At the latest board of trustees meeting, it was decided that all stores and shops of the 3 Units operated by the Community Enterprises will issue purchase receipts to its customers, beginning January 15. The press release stated, however, that receipt tags will not be issued for any mail order.

COMMITTEE MEETS TO DISCUSS CAMOUFLAGE NET WORK PLANS

A committee on Camouflage net production, composed of representatives from all three units met at Poston I on Thursday afternoon in order to consider and study various plans and proposals being offered evacuees who will work in the garnishing sheds.

Although a full report on the meeting had not been made by the time the Chronicle went to print, it was learned that a very thorough discussion on the three proposals offered by the army contractors was held. The group from each unit was expected to give a complete report on the meeting before their respective Community Council and Block Managers. The final decision on the camouflage net project would rest upon the people when all the relevant facts are revealed.

Present at the important meeting were members of the Poston group which recently made a trip to Gila.

WORKERS URGED TO SAVE PAPER

Project employees were requested to proceed on the theory of not wasting paper in conformity with the policy of the Department of Interior, it was directed in WRA order No. 10.

Half-size stationery should be used for all correspondence which do not require additional space. Typing on the reverse side is permissible where the typist has misjudged the length of a letter. A day’s suspension without pay was set as the penalty for each infraction.

MAIN CANAL REACHES POSTON 2

With the completion of a few more high gates, the main canal carrying irrigation water to Poston II needs completion.

Tractors are expected to come in soon to prepare ditches for irrigation between barracks.

An Advisory Planning Committee will be set up to take full responsibility for decisions on land use within the town boundaries of Poston 3. This was the information issued from the office of Administrator Moris Burge yesterday afternoon. A meeting of the board was held last Tuesday.

According to the Unit 3 Administration, the body would arbitrate all disputes among various groups over the use of land. In addition, it is to consider requests for land use. The Planning Board will have real authority on all matters of the above nature, it was pointed out. WRA and Army orders, however, will have to be respected.

The committee will consist of evacuee representatives from each of the following departments:

Community Council, Interior, Agriculture, Administration, Employment Department.

The time and date for the next meeting will be announced later.

One of the first problems to be faced by the Planning Committee was believed, would concern the allotment and distribution of basketball and baseball gear for the various bloc and club teams.
POSTON ENJOYS FREE PRESS

Criticism comes easily, and people are prone to censure without gathering complete information of the relevant facts. The Poston Chronicle expects to receive its share of complaints and profit therefrom, but in regard to recent remarks that this relocation center press has been muffled by strict censorship, the Journalism and editorial staff desires to state emphatically that the publication of news and editorials in these pages has been left almost wholly to the discretion and judgment of the managing editor for the day, with no admonitions from the administration.

In this and several other respects, the Poston Chronicle compares favorably with other center publications. A detailed survey of various WRA newspapers recently disclosed that our sheet contains a far greater proportion of news about the residents than administrative reports and instructions in contrast with the other centers. Some, it was noted, are still primarily bulletins of the administration.

Also observed was the fact that the Poston Chronicle issues more pages more times a week than any other evacuee newspaper. Most of them come out twice, three times, or once a week. The exceptions, besides the Chronicle, are the Daily Tulean Dispatch, which publishes two sheets four times weekly, and the Topaz Times, which issues one sheet daily. We average about eight pages six times a week.

The desirability of putting out a daily sheet, as ascertained through a survey among residents, lay in the truth that in no other way can news be offered to readers while still warm and palatable, figuratively speaking.

THE SAME OF A KIND.

California's Native Sons of the Golden West and certain posts of the American Legion, strange as it seems, have one thing in common with the radicals of relocation centers. By some method or another, these groups of a kind would have all persons of Japanese ancestry sent to Japan although the vast majority of us have neither intention nor desire of leaving this country.

The super patriotic organizations mentioned above are planning to nullify our American citizenship, while the evacuee agitator—a misguided few—would assist deportation efforts by opposing every constructive action taken to regain our full rights. It is a tough and familiar situation, but the issue could not be any clearer than here. We face a shameless exhibition of fascist ideas, and we cannot yield in quiet acquiescence to those who would either ship us or lead us to the land of our Axis foe.

A strong stand must be taken to show our desires and rights in the matter of our future. We must oppose all the way any attempt to cheat evacuees of the rights and privileges of American citizens.

MUSIC APPRECIATION COURSE PLANNED

Classes in Japanese and English Music Appreciation are being planned by the Adult Education Department under the supervision of Kenji Nakani, Chihito Sugii, and William Etc. within a couple of weeks, they hope to contact prospective instructors, who specialize in the various forms of music like Opera, Chamber Music, and Symphony, to lecture before informal seminar groups. The newly-formed Chamber Music Ensemble, soloists and recordings, may be used to illustrate the different kinds of music.

The aim of these courses will be to develop a music association to sponsor all group activities of the Music Department such as the Symphony and the Glee Clubs.

LIBRARY NOTES

With the increasing arrival of new books in the Central Library at Poston II, both public and school libraries of all three units have been requested by Miss Manning, Library Supervisor, to send representatives to help with the sorting and checking.

Poston I is planning to have a branch library, probably at Rec. 36, as soon as requisitioned materials are received, and duplicate books from the main library will be placed on the shelves there, a report to the Chronicle stated.

"DESTROY" GETS STUCK IN THE MUD

The truck that was carrying the film "Destroy Rides Again", on its way to Poston, was "stuck" due to mishap, the unofficial report here told.

So, we will have to wait until tomorrow night to find out whether "Destroy" could ride again. Anyway, it's at Bik. 4 stage Sat. On Sunday it will be flashed at the Bik. 16 screen, we were told.

Time is 7:15 p.m., barring dust storms (Oh, you jinx!).

BURDICK LAUDS GROUP FOR SUCCESS OF MESS 324

Steward J. L. E. Burdick of Unit 3, in a statement to the Chronicle, explained that the success of the operation of children's kitchen 324 was due to the cooperation of the residents, Sally Lucas Jean, Dr. Teru Togasaki, Galla Takemoto, and practically all the mothers in the Parents and Teachers Association.

"They have worked indefatigably in the opening and running of this mess, and to them as individuals and as a group all credit is due," Burdick's statement read.

Workers Urged To Write Letters

It is the hope of religious workers and block managers that through correspondence with generous donors to continue their correspondence with the "thank you" letters but to keep writing to the donors as often as possible.

LOST

Red covered gold lettered book on Judo very old and rare book printed especially for the British Embassy and probably the only one left in the United States.

It has a sentimental value to the owner as it was given to him by many commanders. The book is also needed for revision work.

Senior please return to Dr. N. M. Nakadate.

Notice Of Appreciation

Mr. and Mrs. Y. Yamamoto of Blk 305 wish to express their gratitude for the sympathy and condolences shown them by their many friends on their recent bereavement. Special appreciation is extended to the women who made the floral wreaths for the funeral.

C.E. GROUPS FORM DIVISIONS

Christian Endeavor Society groups took a definite step toward the organization of the four divisions outlined in the commission plan for the election of their individual chairmen.

Four commissions have been formed for each age group; namely, Devoational whose purpose is to prepare worship services; Stewardship; keep in touch with religious groups in other centers as well as outside organizations; Fellowship; develop friendship; and Service, responsibility and duty.

Flood Irrigation Nears Completion

Flood irrigation on the Poston hill farm land west of the administration area progressed smoothly and was observed to be nearly completed by yesterday.

The project, which is to be used for planting vegetable for center tables, has been undertaken by the Department of Agriculture, it was reported.

WANTED TO RENT

A portable and a standard typewriters. Will pay government rental rates or better. Contact Press office--310-2-D.
FISTS RECEIVED BY THE JUNIOR RED CROSS

Gifts galore were received by the Poston Junior Red Cross. Those gifts will be evenly divided among the three units. Among the things received were boxes of candies, all different kinds of nuts, knitting needles and yarn, toothbrush and powder, washcloth and soap, and various other practical gifts. These gifts were donated by the Pacific Coast Red Cross Chapters.

GROUND BREAKING CEREMONIES

Opening the Ground Breaking ceremonies was the raising of flag by the Boy Scouts and the salute by the audience.

Under the capable chairmanship of Itsumi Ota, an informal introduction of the honorary guests was made. Later speeches were made by various guests. To climax this event the groundbreaking was started. The honor of the first shovel fall was given to John Matsuno, Chairman of the Poston II Congress.

ETERNAL BEAUTY

Her light brown hair will never fade
Her eyes forever will be twin suns made
To charm the world. Her lips their hue will ever retain
Her charming smile will as years remain
The wave in her hair will never uncurl
For she is a magazine-cover girl.

PROVERBS

God helps those that help themselves, but tells that to the police.
Time and tide wait for no man, neither does the late bell.
Lend your homework to others if you would have them lend theirs to you.

FIRST JOINT COUNCIL MEETING HELD

With Itsumi Ota, President of the Poston II Student Body, presiding, the first joint council meeting with Camp 3 got underway last Friday.

After an informal introduction of the members the meeting proceeded. Tota Tabida of Camp 3 introduced their council while Itsumi Ota introduced ours. School activities of both units were discussed. Later plans for inter-camp competitive sports, rallies, and joint socials were discussed.

LIBRARY OPENS AS STUDY HALL

After being fitted with new shelves and tables, the school library is open to the students as a study hall. The students may go there during their free periods and study.

Long awaited books have been received here and passed out. Those fortunate enough to get books were the Science, Home Ec., and Commercial Boys.

CLASS ELECTIONS HELD

Coming out on top in the Freshmen elections were Benny Masatani, President; Alice Kusaba, Secretary; Miyo Abe, Treasurer; and Tommy Tanamura and Cassie Mae Yagi, Yell leaders. There is to be a run off election for the office of vice-president between Miko Takizawa and Tommy Banjura.

Paul Day was elected President of the eighth gradewith Kazu Arimaki, George Yamashita, and Miyoko Watazare as yell leaders assisting him in keeping up the class spirits. Run off will be held on Wednesday between James Sakurai for the office of Vice President; Secretary, Lilian Yashizumi and Alice Shimizu; Treasurer, Yoshiko Matsaue and Jack Watanabe; and Historian, Hitoshi Yamamoto, and Fuma Kato.

For their officers the Seventh graders have elected Haye Kitanura for Pres. To assist him, they elected the following officers: Sei Shohera, Vice-principal; Harumi Matsueda, Secretary; Mitsuko Yamamoto, yell leader; and Benjaman Ogawa, Sargent at Arms.

LUCKY WINNER

Bob Hirokami was named the lucky winner of the one dollar prize which was offered by Mrs. Harris for the drawing. His entry was a Western drawing of Cowboys and their equipment.

*********
He saw her coming so he halted his steps and stood by to let her approach.

"Hello beautiful!"

"Oh, hi! Don't scare me like that."

He cocked his head to the left, and with arms akimbo, regarded her.

" Gee, red bow, red flowered blouse, red skirt, red shoes—now all you need is a pink parasol. A pretty pink one."

"Pink? That'll clash. A white one—that's better. Besides this isn't red. It's flame-colored."

"Flame," he murmured. "Oh, flame!" he exclaimed with a twang of mockery woven in. "Whose flame?"

"Yes, flame. Never mind the "whose." Which way are you going?"

"This way," he pointed west.

"Well, go west, young man. I'm going this way."

And with a toss of her shiny raven locks she turned in the opposite direction.

"Oh, that's just where I'm going too," he decided.

"All right then. Just don't make yourself too conspicuous."

A group of "need-unders" staggered by piping:

"There goes beauty and the beast," accompanied by that unmistakable "wolf-whistle-wolf-whistle!"

"Can you stand being called a beast," he offered.

"Don't you be so hateful, nincumpoop."

She aligned at her watch. "Goodness. I still have an hour to kill before I go for my appointment. What'll I do?"

"Well, let's see. I get it! Let's amble out and sit in the pines. It's nice out there, y'know."

"No. I'd rather watch the little boys practice football."

The perched on the rails watching tomorrow's All American game. "What do you like best to eat," he ventured after an unc	

fortable pause on his part.

"Chow mein."

"Steak. A nice big juicy one. The way they do it at Di Maggio's."

"What else do you like?"

No answer.

"Did you ever hate anybody terribly? I mean, did you ever hate anybody?"

He insisted again.

"Nope."

"Well then, did you ever like anybody real well?"

"Nope."

"Not? Honestly? Then do you think you'll ever like anybody real well?"

"I doubt. Look! Watch that little kid pass. The one with the Ish Kabibble haircut. Look!"

He eyed her mistfully, but she was genuinely interested that little guy with the Ish Kabibble haircut.

"Listen, dear child, are you a philosopher?"

"Uh huh."

"Any women in your right senses?"

"Yes, yes, any women in your right senses would never harbor such idiotic, normal ideas. Go on, philosopher." And she turned her gaze low'r toward the children again.

"How long have you been out of high school?"

"Since last June. Why?"

"I guess you'll grow up soon then, huh?" he gibed. "How do you do by the time I get my next leave, at least."

For once she focused her full attention on him.

"Why'd you wear civvies today? I like uniforms."

"Wait till I get my wings."

He watched the sunny smile which fluttered from dimple to dimple. He grinned.

"Several moons traced their glowing paths across the summery skies. And one fine day brought another air-mail-special-delivery. Tingling fingers will open the tri-colored envelope."

"He's coming tomorrow—4-hour leave," and her cardiacs pulsed wildly as she fingered the tiny pair of wings encloeeded. For a fleeting moment his disgustingly handsome face appeared, and she heard him saying—

"Do you think you'll ever like anybody real well?"

"Maybe," she whispered.

BOY FATALIY INJURED
IN UNIT I ACCIDENT

The first traffic casualty to happen here in eight months occurred yesterday morning, Jan. 15 at approximately 5 a.m. when George Yoshito Nakatsukasa, 7 year old son of Mr. and Mrs. H. Nakatsukasa of Blk. 44-4-3 and formerly of San Diego succumbed to injuries. Young Nakatsukasa was struck near Mess 44. He was hit attempting to cross the street while by a stage truck belonging to the Construction and Maintenance Dept., which was passing Blk. 44 slowly.

THOSE SUBJECT TO INCOME TAX MAY HAVE AID

All persons of Unit I subject to 1942 Income Tax returns, Federal or State may rely on Frank Izumida, and H. Izumida for clarification and help. They are in the Income Tax Div. at the Legal Dept.

Izumida suggests that business books will be of great value in finding the correct figures and former returns will be of aid.

The Federal and Calif. Income Tax files have not arrived, but files of Arizona state are the possession of the Income Tax Div.

Those subject to Federal Tax- single persons $.50 a year income; married head of family $1200 a year income.

COUNCIL MEETING

At a joint Council meeting held Jan. 15, 1943, James Crawford clarified a few points on his position in Posten and answered questions concerning the press.

The meeting took place at Ward 7 at 9:30 a.m.

FIREPLACE OF LIGHT BULBS MUST STOP WARNS MAINTENANCE DEPT.

Posten residents are warned by the Maintenance Village of light bulbs from laundry rooms and latrines must stop.

Since expended bulbs must be returned to secure a new one, globes have been taken from the block latrines and laundry rooms.

An acute shortage of light bulbs is said and the Maintenance Department requests full cooperation from the residents.

ONE TRUST FUND SYSTEM ADOPTED

A body represented by the three units accepted the reports submitted by the Cila Garvishing Factory, with a few changes made by the represented group Jan. 14, at Ward 7, Unit I.

George Uno was chairman of the meeting, but asked Frank Kuwahara, vice chairman, to conduct. The bonus scale of 20,000 sq. ft. per month, $10 was passed, with an in surance that for every 100 sq. ft. woven after 28,000 sq. ft. workers will be paid 20%. Any worker will be given a flat $5 bonus their first 2 weeks of work if he does net average 28,000 sq.ft. per month. The wages will be on a piece work basis. The weavers will be paid $4.80 per thousand sq. ft. of mat. This wage has been set by the United States Army Engineers and cannot be changed. The non-weaving workers will be paid the average wage plus 10%.

A committee from the three units will meet with Mr. Vernon Kennedy at 11 o'clock Jan. 15, to decide the points on voting.
In response to the question, "How is the Gila Community Government?", Franklyn Sugiyama, who had completed a trip to Gila answered, "They are started on a Central Gov't, each camp Butte and Canal, has a Temp. Council. We saw Butte's Council in action. They seemed intelligent, slightly younger compared to Poston's Councilmen."

The problems seemed about the same as in Poston. Gila Council was discussing the present egg shortage. One of the Council members said that the Administration was falling down on the egg supply. However, Harry Miyaki, Blk. mgr., explained that a clause in a Mass contract authorized Mr. Bennett, Proj. Dir., to purchase eggs on the open market and charge the cost to the regular Egg Contractor in event the Egg Contractor could not supply the camps. Miyaki intimated that Bennett contacted several large egg dealers in Phoenix, but no eggs were available due to a scarce market.

Poston Proj. Attorney, who was also invited to the Butte Council meeting was called upon several times to make legal interpretations for the benefit of the Council. Mr. Haas made several explanations about the Co-op.

"No preliminary work has been done," said Sugiyama, "but the Butte Council believed that the Co-op could take over by Feb. 1st or at the latest, Feb. 15th. I was afraid that Mr. Haas might discourage the optimistic feeling by telling them how Poston has been cussing and discussing the Co-op for the past four or five months and which started the first of the year. Fortunately, Mr. Haas wisely refrained from mentioning our long pre-campaigning for the Co-op."

"What impressed you the most, Mr. Sugiyama?"

"The Community stores here seem by large, far ahead of Poston in variety in completeness of meeting the Customers needs. Their stores are clean, neat and tidy. Merchandise was attractively displayed.

"There are 3 canteens in the Butte camp besides the shoe store and dry goods store. Canteens them have more in various lines of merchandise. It isn't like Poston where you have to worry before you go to the canteen, wondering if they have it or you have to walk to the Main Canteen. The nicest feature of the store is the polite business-like attitude of the clerks. The corner drugstores hangout feeling is entirely absent. Another thing I like was the fact that the purchase were either wrapped up neatly in brown paper or put in a bag without almost having to engage in battle with the clerk."

"How was the food in Gila?"

"The food was well-cooked and well-favored. We ate in Blk. 72 and 73. In those Mess halls they served in cafeteria style, but the portions dished were small. Each member of the Poston party left the table 'hungry' after every meal."

"Which Relocation Camp, Poston or Gila, do you prefer?" Before Mr. Sugiyama could answer Mrs. Sugiyama smiled sweetly and said, "Naturally, Poston!"

IRRIGATION WATER "TURNED OFF" NEXT 14 DAYS, REPORT

Irrigation water for Poston will be "turned off" this Mon., Jan. 18, for two weeks, to permit the Poston Irrigation District to construct a "short cut" canal between here and Parker. George Oyenoki, watermaster, stated yesterday.

As soon as that portion of the canal is finished (at present it is bent in construction), a continuous flow of water will be available for irrigation purposes again.

Water for baths in Unit II is expected to flow as soon as the high gates are completed near Camp III.

MRS. SARA CLARDY IS POSTON VISITOR; DONATED BOOKS, SEEDS

Mrs. Sara Clardy, one of the Nisei's closest friends in Arizona is a brief Poston visitor. An instructor at the Glendale, Arizona, High School, Mrs. Clardy is visiting Poston schools and making many re- acquaintances.

Mrs. Clardy has already contributed many volumes of books and magazines, as well as flower seeds, to Poston and has been instrumental for the gradual improvement in pacific sentiment around her Glendale area toward the Japanese.

Arriving here late Thursday evening, she is expected to leave for her home early Sunday morning.

INDY. DEPT. EXPECTED TOFU PRODUCTION WITHIN FORTNIGHT

Bill Tanabe, resident of Blk. 35-A-3-D, was seriously injured late afternoon yesterday at Blk. 316 when he was run over by a truck, according to a report to the Chronicle from the Unit three Police Dept. last night.

This was the second serious accident of the day, the first being in Unit I when George Nakatsuka of Blk. 44 succumbed from injuries.

"The Chronicle differs from the Commerce enterprise because this paper is not charged for subsistence and other facilities," stated Norris James, Press officer, in a social problems discussion meeting held last Thurs. night, Jan. 14, at Rec. 36, where he was the principle speaker.

Mr. James covered the history of the press explained the present set-ups of the Board of Business Management and the Editorial board, which consists of six managing editors, with Mr. James acting in the capacity of counselor.

It is said that there are at present 2000 subscribers in Potsdam and 150 outside. As to the machinery, the Chronicle has one Whitlock press and a linotype here with a teletype news service to be available soon.

Prospective students for higher institutions of learning were enlightened on the opportunities and procedures of attending schools in an enthusiastic rally held at the 210 kitchen Thursday night. Dr. Harry Kita presided.

Brief talks were given by Mrs. E. Matsuda, Dr. Balderson and Miss Nell Findley. Excerpts of letters from students who have been successfully relocated in college revealed the friendly acceptance of Miami by the student bodies.

The orientation meeting Thursday indicated that the vast majority of these people out-of-high school age. Senior students wishing information and help or desiring to file an application with the N.S.R.C. may contact the Leave Office in the Employment Bureau or see George Aihara at the principal's office.

The Unit II members of the Boston Council of the N.S.R.C. include Dr. Harry Kita, Ki-kuye Takata and Mrs. Charles Onoya. Introduced at the rally were the additional members including Saburo Kido, Peter Aoki, Manabu Fuzada and George Aihara.

ELABORATE PLANS MADE FOR BLOCK 219 PARTY SATURDAY NIGHT

Young People's Club of Block 219 will relieve the kitchen crew on Saturday night when the "shiner-ensai" party takes place.

The 20-40 group will do the cooking while the Young People's club members will serve.

An elaborate program has been planned by the committee. A contest is opened to the block residents for a suitable name and club colors for the organization, it was announced.

SHAMROCKS NOSE OUT ZEROs, 28-26

Stepping down to the A league in a practice game, the "AA" 221 Shamrocks came close to having their ears pinned back by a surprising 226 team. The Zeroes gave the Shamrocks a running dogfight before finally going down to a 2 point defeat.

PARKER INDIANS SCALP PENGUINS

Scoring twice to every Penguin once, the towering "Indians" from Parker ran thru and over the puny Penguins by a skyscraping 71-55 score.

The Penguins were no match for the Indians as the visitors seemingly scored at will with "Swishie Willie" Fisher doing the bulk of the scoring with 28 points.

Kusumi led the 211 scoring with 15.

TERRORETTE JUNIORS "DOOM" IT AGAIN

In their second encounter with the 208 girls, Thursday, the 213 Junior girls made it a "carbon copy" of their first victory, winning this time 22-16.

The 208 girls fought back furiously in the second half, but 213's 14-6 lead in the first gave them the win.

Nancy Yoneda led the victors with 10. Virginia Furumoto, for 208 with 8.

POSTON MAGAZINE, ONLY LIMITED NUMBE
VEGETABLE REQUIREMENT REVEALED

Mr. Nelson, chief steward, announced the requirement of vegetables for January 1943 for three units as 275 tons at a meeting with the Agriculture staff Thursday. The type and amount of vegetable on this requirement are string beans, 220 hampers; fresh beets (topped), 15,000 lbs; cabbage, 88,000 lbs; carrots (topped), 80,000 lbs; cauliflower, 28,000 lbs; celery, 40,000 lbs; egg plant, 21,000 lbs; dry onion, 30,000 lbs; garlic, 375 lbs.

WITH THE SOIL

Agriculture department is beautifying the surroundings around the Main Canteen and churches with flowers and other plants. The vegetable farm, north of Boku II will be planted sometime next month with various kinds of vegetables. Due to the poor irrigation system, one kind of vegetable cannot be raised on large scale so several varieties will be planted.

BABY CLINIC TO OPEN

The Baby Clinic at 310-3-A will open to the public at 2 p.m. on Wednesday, according to Dr. Togasaki.

LANGUAGE PLANNED

The introduction of the Japanese Language class into the high school curriculum and also a similar evening class for adults was considered at the P.T.A. Council meeting Thursday. Two instructors, one to teach the high school students and one for the evening class, will be needed. Educational committee, which consists of council representatives, teachers, and principal, with the P.T.A. will select the teachers for the classes which are anticipated to start within a week or so. On the educational committee are: Mrs. Ohya, Mrs. Takeshita, Mrs. Hibi, Mr. Nakamura, Mr. Takeoka, Mr. Tashiro, and Mr. Potts. The classes will also include study of Japanese culture and history. Honor system for high school similar to the California Scholarship Federation is being planned to encourage students to study harder.

P.T.A. will begin a conversational English class and those interested are asked to sign up at their respective block manager's office.
BAKERSFIELD-GOLDEN BEAR REMAIN UNBEATEN IN "AA"

With the cozy season barreling into high gear, only Bakersfield and the Golden Bears maintained their undefeated status in the Sportsmanship League.

Bakersfield, City-Wide "Open" Champs, and New Year's Festival Champs and heavy favorites to cop the double "A" crown, has already won v.r. Delano and strong Valley quintets. However, the Golden Bears are expected to give the champs a "run for the money" having defeated the "5A" Vandals and San Bordo.

DELANO BLASTS
SABU "218" 36-6

The fast improving Delano Dukes showed the Sabu "218" into caller standing in the "AA" sportsmanship league by hitting them off the court 36-6 on court 27 Jan. 12.

The Dukes, led at half the time by 15 substitutions going in the last half to hold the visitors to one field goal.

In the preliminary the Bk. 21 "Blackjacks" triumphed over The Bombo, to the tune of 26-29 in a "A" tilt.

FIRST TOFU PRODUCED BY POSTON IN INDUSTRY

Fulfilling a dream since the organizing of the Industry Department of Poston III, the first tofu was produced yesterday under the supervision of Hay Hare and his staff. Ben Yamaguchi, supervisor of the Subsistence Department of Industry 3 quotes: "We had seemingly insurmountable obstacles but we have conquered all of them. The tofu fireplace and burner were designed and constructed by Mr. Shimizu and Mr. Yutani, supervisors of the woodwork and research division in our department. We also received irreplaceable help from Mr. Asano of the Maintenance and Larry Inouye of the Construction Department."

The first tofu were served at the farewell party for Mr. Yutani who is leaving for Gila and Leslie Abe who is leaving for Utah. Both were among the first to Join the Industry Group. The staff members of Industry 3 who attended the party unanimously agreed that the tofu was excellent. The tofu will be produced by a two-shift staff so that the entire Poston III can be served tofu once a week.

OFFICIAL CEREMONIES FOR ADOBE WORK SET

Official ceremonies for the beginning of the adobe making at Poston III will take place this Tuesday, with Gerald Numino in charge, it was announced yesterday.

A group composed of members of the Block Managers, Community Council, Carpenters, Construction and P.T.A. were to have met to map out a program for the ground-breaking ceremonies. The main work will be the school building project for Unit 3 and all other building needs will be secondary it was stated.

The Block Managers will contribute their spare time in making adobes for a club house, Gerald Numino revealed. Pool tables and other recreational facilities will be available according to present plans.

POSTON TO VOTE ON GARNISHING PROJECT

A record vote is anticipated today when the residents of Poston go to the polls to decide on the opening of the garnishing net factory. All three units of the Colorado River recreation Center. Labor Chairman Frank Kuwahara declared that the three councils are enthusiastically in their endorsement of the special Committee's proposal.

The proposal was submitted after the committee in charge made a very careful study of the net project in operation at Gila, and all leaders of organized Poston bodies are expected to back the garnishing factory venture, it was reported yesterday. It was pointed out by Kuwahara that the opening of the factory means from $150,000 to $300,000 monthly income for the residents.

Not only will the workers in the garnishing sheds be able to receive from $50 to $60 monthly, substantial benefits are expected for all project employees from the greatly increased income for Poston.

Essential project workers may receive upward of $25 monthly extra if the plant is operated at capacity production, Kuwahara stated.

The community councils have requested the work corps to consider the distribution of a certain amount of money to the various blocks momentarily for use in block welfare, it was disclosed.

Residents were advised that the polls will be open today, from 9 a.m. to 7 p.m., at the block managers' offices in all three units.

ELAINE S COON, COMMUNITY ACTION COMMITTEE, POSTON "The community leaders of Poston have requested the work corps to consider the distribution of a certain amount of money to the various blocks momentarily for use in block welfare, it was disclosed."

BETWEEN BEATS...

"...But the one that go away..."

Cause of all the excitement in Block 227 Sunday was the return of the "Issac Walton Club" with their catch. The fishermen, it seems, put up a pool with the largest fish (no fish stories accepted) of the day getting a portion and the biggest on record for the month getting the "pot.

Sunday's race was a "Close one, with K. Yoshida nabbing a 22" carp, R. Yamazaki and T. Suyama brought in the measures, but theirs is a foot inches to be run大理石...

Talent talk was told by K. Onosawa who claimed he caught one "MAA big, but while he slept, it "walked" away bag and all.

And speaking of the three little fishes, just ask any Press member about the Lake Placid "OPP"ers... if their teeth have stopped chattering from the "Bronco-busting" ride to ad fro.

"Àprès moi, le deluge" Capt. Warden and Sears had better send out new catalogs soon. After the advent of the clothing allowance, most catalogs resemble an ad for GWTW...leelie

SPRING PLANTING FIGURES COMPILED

The planting allocation of more than 112 acres set for early spring planting was made by the Trucker Crop Division, head, J. B. H. Harvey Suzuki, in their recent meeting at the Ag. Office, Blk. 37.

The following acreage allocation was released by the Dept.:
tomatoes, 10 acres; squash, 5;
chard, 5; cucumber, 3; Hubbard squash, 10; daikon, 10; beans, 6;
okra, 2; corn, 10; white daikon, 2;
eggplant, 4; cantaloupe, 20;
sweet potatoes, 20; white ured., 5 acres.

With the exception of cantaloupe and sweet potatoes, the balance of the crop will be planted within the city limits due to the limited acreage elsewhere where subjugation and canals are yet to be completed.

NOTICE

Acting upon the request of the people of Poston I, Community Council, Unit I, recommends that we should have a director containing the names and addresses of Poston residents. Such a director will be beneficial to the Poston residents and will also serve of purpose of relating friends and relatives when it is exchanged with those of the other Relocation Centers.

The Blk. Mgrs. have reacted upon this request and expressed their cooperation. A list of the names are turned in already from Blks. 35, 27, 21, 18, and 44.

May I express my sincere appreciation in behalf of the people of Poston I.

**SIGMA XI UPSETS MUTINEERS IN "AA" OPENER**

The 318 Sigma Xi orage edged out a narrow 25-23 victory over the Mutineers in the "AA" league opener Saturday morning in a nip and tuck battle on the high school court.

The Sigma quintet got off to a fast start and led 11-1 at the end of the first quarter. In the second stanza, the Mutineers came up to within one point of their forlorn opponent to bring the half time score up to 12-11.

In the second half the scoring was close with 318 leading most of the way. In the final seconds of the game the score was knotted at 23-23 when Tom Koge of the Sigma Xi team broke up the game with a dump shot to give his team the edge and the victory.

High point men for the game were M. Shinizu of 318 with 9 digits followed closely by S. Takashita, Mutineer forward, with 7.

After being behind 15-14 at half time 308 rallied for 12 points in the second half to beat 318, 26-20 in a "A" league opener.

B. Ichiuji and N. Nakamura scored the winners with 16 points between them while B. Nobuhiko kept the losers in the contest with 8 points.

**308 RIDES 307 MUSTANGS**

In a low scoring "AA" game, with the half time score 4-4, 308 rang up 7 points in the second half to take the Mustangs 11-8 who were held to 2 costly field goals. The game was mostly all defensive as the score indicates and long pot shots were "shelved" due to the wind conditions.

The Mustangs B. Tanabe and R.C. Tanaka Bro. scored all their team's 8 points while F. Kukeda led the winning 308 team with 4 digits.

**B. I's TAKE TYN BIL**

In the class "B" League opener the B. I. club, jumped into the leadership of their league by trouncing the 307 colts 16-4 and the 328 B's 34-8. The B. I's held colts to 2 points each half while 307 scored only 8 field goals to easily take the game. George Yamagata took the high point honor by hitting the hoop for 10 digits while Nino and Yamamoto scored one field goal apiece for the colts.

The 328 encounter was played in a wind swept field but the taller B. I's utilized their height to easily swamp the 328 B's 34-8.

George Yamagata, B. I. forward, was "hot" this week as he "swished" in 15 points to lead scoring. T. Matsuhashi pocketed two long shots to lead 328 31-9.

**305 "A" WINS 304 LOSES**

Led by K. Shinoda and J. Karisawa with 9 and 6 points respectively, 305 "A"'s drubbed the 304 B's 27-11 on the 305 court Saturday afternoon. 305 started fast and had a 13-3 lead at the end of first half time period. The second half found 305 adding 14 more digits to easily take the game. A. Nishimura led the 304 B's with 4 points.

In the class "W" game, 305 Yoboes dropped a close 10-7 decision to the High School "W"'s.

The leading scorer for the game was K. Nakamura of H. S. with 4 points while M. Fudakawa scored 3 for the losers.

**SAN DIEGO BURNS FIREBAGS 31-11**

Proving to be the potential team in the "AA" league, San Diego had easy pickings over the Firebugs in their league opener Saturday on the Firebug court.

Led by the Iwashita Bros. the San Diego team kept the lead all the way to take the game with plenty to spare. The Firebugs tried desperately throughout the game but were subdued at every turn.

The leading scorer of the game was Karl Iwashita with 9 points and F. Maruyama led the Firebugs with 6 digits.

**CALIFORNIANS OUT ROUGH PLAIDETTES**

In a rough and tumble game, Plaidettes lost a close game to Californians by score of 14-12. Haruye Kogo of the Plaidettes and M. Yanunato played a good defensive game.
DEPTS. ARE ACTIVE IN "ACCIDENT PREVENTION" WKB.

Home accidents caused the death if 35,000 men, women and children in the United States last year; 4,700,000 were permanently disabled. The following were sent from Poston late yesterday afternoon:

Senator Mon C. Wallgren
Washington, D.C.

Dear Senator Wallgren:

In looking over an INS news dispatch, under the date of Washington, January 15, 1943, we have seen that you have made a number of statements which we would like to comment upon.

We are evacuees. The local Community Council, a body organized for local self-government, would seek an opportunity to appear before your investigating committee, when, and if, you are in Poston.

Trusting that you will give this matter your earliest attention, we remain, your very truly, Temporary Community Council of Poston One.

Franklyn Sugiyama, chairman.

The first "Poston" magazine will contain interesting news from other centers too.
May we take this opportunity in thanking the many "leads who, during the time of our bereavement in the passing of our son, George, have been so kind and comforting. Your presence at the funeral was very heart-warming. We all thank you in deep appreciation.

LIBRARY NOTES

Nobuko Sakamoto, clerk in the Poston I Library, left for Chicago, Thursday night.

Recent additions to the library staff includes Fred Yoshida, graduate of De Pauw University, Indiana, who majored in economics and social science, and Toki Kawahara, who graduated UCL as a Rus. Ad. major. Mr. Yasuda is assistant head librarian.

New newspapers subscribed to by the local library are: Heart Mountain Sentinel, Manzanar Free Press, Granada Pioneer, Rohwer Outpost and the Gila News. The New York Times had begun its regular daily arrival since Thursday morning.

The library is also a member of the Book-of-the-Month Club, and Mrs. Mabel Cta., Head Librarian, announces that anyone wishing to join the Club is welcome to do so through the library.

BRIEF BULLETINS

Ralph Gelvich drove Chiyoeko Watanabe to Tempe, where she will join his fiancée, Fred Kahikawa.

Mrs. Hirata and Mrs. Shira-kawa left on an indefinite leave for L.A. accompanied by Father Clements.

Mr. Yutani, who was with the Industry Division of Unit 3, transferred to Cilla with his family.

Dr. Heishiro J. Tamaka, Dr. Harry Y. Kita, and Dr. Frank Taniguchi and wife, are attending a Dental Clinic Conference in Cilla.
"COLLEENS!'CABINET OFFICERS INDUCED AT CANDLELIGHT RITES"

In a beautiful setting of streamers carrying the club colors and flowers, Mrs. Charles' Onges, installing officer, inducted the officers of the Colleens in an impressive candlelight ceremony Monday evening at the 216 mess hall.

Formally introduced in their new official capacities were Alice Kubota, president; Mollie Tsabouchi, vice-president; Kuniko Hirokawa, secretary; Yoshiko Yoshiohka, social chairman; Edith Kawai, club representative; Tee Eto, athletic manager and Fuku Yokoyama, publicity historian.

Even the unexpected unit-wide "blackout" did not mar the evening's festivities which featured Happy Okajima's Drama Guild "corn" which was well received. Dorothy Yoshiohka acted as mistress of ceremonies.

At the conclusion of the program delicacies and refreshments were served on cleverly appointed tables with souvenirs as place cards.

CHRISTIAN church
YOUNG PEOPLE TO PUBLISH PAPER

With Clifford Nakadegawa as editor, the Poston II Christian Church will publish a semi-monthly newspaper in the interest of church young people and their activities.

A contest has been announced in search of a suitable name for the paper. Those church goers interested in submitting entries are invited to do so by bringing or mailing their entries to the #211 church. Deadline has been set for January 31.

"SUN VALLEY SERENADE" AT THE MOVIES TONIGHT

Residents of Poston I have been processing yesterday with freezing weather so that adequate preparations may be made to adjust themselves at the outdoor movies tonight at the Cottonwood Bowl at 7:30 p.m.

"Sun Valley Serenade" with Sonja Henie and John Payne will be featured. The picture was taken with the background of the fabulous winter resort setting at Idaho's Sun Valley.

UNIT TWO TO ELECT BLOCK MANAGERS AND ASSISTANTS, FEB. 1

Election of Unit Two block managers and their assistants will be held on February 1. Candidates must be 21 years of age or older and must be nominated at the block meeting or by a petition signed by ten or more persons and filed with the administrator James D. Crawford on, or before January 22, it was announced.

Secret balloting will be held and polls will open at 8:00 a.m. to 8:30 p.m. All ballots will be held for thirty days by administrator Crawford before disposal. All members of the WRA work corps will be eligible to vote or to nominate candidates, it was further announced.

POSTPONED GAMES SHOULD BE PLAYED BEFORE SUNDAY -- REC. DEPT.

The Recreation Department requested that all "AA" league games postponed Sunday because of the dust storm should be played before Saturday of this week.

ADDITIONAL SPORTS... PARKER INDIANS TO MOST CAISSONS TONIGHT AT 216 COURT

Poston 2 will again see the colorful Parker Indians basketball five tonight when the 216 Caissons meet the Indians at the 216 court.

Fielding the tallest team in Unit 2, the Caissons are expected to put up a stiffer battle than did the Penguins who lost to the Indians by better than 35 points.

The Indians will again be led by Willie Fisher, deadeye Indian forward, who looped in 28 points against the Penguins.

Hashimoto and Asada will be the Caissons biggest threats with Kado the question mark. Though the deadliest shot on the team, Kado is also the smallest. If he can compensate for his lack of height with his accuracy against the tall Indians, the Caissons will be very much in the game.

QUAD THREE GIRL SCOUTS PREPARING FOR SECOND CLASS BADGES

The Senior Girl Scouts of Unit 3 composed of members from Blocks 212, 211 and 213 met Saturday night at the 216 mess hall.

The girls are now active with the various projects to earn their second class badges.

Future plans were discussed by the group led by patrol leader, Kinuyo Takata, who presided.

At the close of the meeting, the members were served refreshments by the 214 Scouts of the troop.

RESIDENTS RUSH TO POLLS TO VOTE

ON CAMOUFLAGE PROJECT

The polls at the respective Block Managers' offices throughout Poston III remained open until 7 o'clock last night as all residents above the age of 16 years old hurried to cast their vote on the important issue of a garnishing net project.

The ballots will be placed in an envelope without being tabulated and the poll watchers shall sign their names on the sealed envelope, noting on the outside, the block number and the number of ballots. The envelopes will be turned to the Council Chairman this morning to be counted this afternoon in the presence of the three Chairmen and any other interested witnesses.

The results of the voting were not available when the Chronicle went to press, but a large percentage of votes were expected to have been cast during the day.

Relevant points of the net project were presented at mass meetings held in all of the blocks on Monday night, and the decision on the vital matter was left to the residents.

If the project was accepted, it was pointed out that a large source of income would be added to the Poston center.

At Poston III, the Community Council, Miss, ei advisors, and Block Managers held a thorough discussion on the garnishing net plans last Monday afternoon so that the members of the above bodies would be in a position to present all the issues clearly to the people before Tuesday's vote.

NOTICE

Opening of Baby Clinic is postponed until next week.

BIG SUMO SHIAI SUN!

SUMOISTS FROM POSTON 1, 2, and 3 MATCH IN CENTER’S BIGGEST SHI-AI

Unit One will act as the host to the biggest sumo tournament ever to be staged in Poston, this Sunday, January 24.

With Gamps 2 and 3 sending their best sumoists, it will be a great day for the sumo fans to witness their favorites winning their matches. The sumoists, too, will be fighting for all they are worth to maintain their wrestling superiority. Also, they will be trying to win some of the prizes, given away to winners and losers alike in the A and B groups, and to the winners in the A and B groups.

The tournament will be divided into three groups, namely: the A group, the strongest wrestlers in the B group, and the C group. There will be roughly estimated, 60 boys in the A group, 80 in the B, and 150 in the C group.

In order to feed the sumoists from camp 2 and 3, food will be donated for every ten men by the 36 mess halls in Unit I.

So make it a date on your calendar to attend this gigantic event, sponsored by the Sigma Honbu Unit I, this Sun., Jan. 24, starting at 9:30 a.m. behind the main canteen.

BLACKBIKERS SUBDUE OCEANSIDE, 21-12

Starting out slowly, the Blackbiikers overcame Oceanside 21 to 12. Norinishi led the victors with 9 points, as did K. Matsuno of the Oceanside quintet.

BLACKJACKS CLUB

GOLDEN BEAR "AYES"

The hard-fighting Blackjacks from BLK 21 took a quick victory from the Golden Bear A 22-13. At half-time the 21ers were in front, 16-2, but from the third quarter on, the Golden Bear Ayes outscored the Blackjacks, 11-6, the rally was too late, however, for the Bears versa downed 22-13.

GOLDEN BEARS SCALP

PARKER INDIANS, 31-24

Though both quintets were handicapped by a dust storm, the smooth clicking Golden Bears five downed the fighting redskins to the count of 31-24, played on Court 2B, last Sun. This exhibition game went on as scheduled, while all "AA" games were postponed.

The visitors took the lead in the last quarter with "Deadeyes"

Parker hitting the hoop for 6 points, but Mizuno Bros. found their range to forge ahead, 11-11, at the half-time. The last half was all Golden Bears, with T. Enc and J. Kadokaw scoring 10 and 6 points respectively.

Trusting that you
will give this matter
your earnest atten-
tion, we remain, yours
very truly, Temporary
Community Council of
Poston One.

Franklyn Sugiyama,
Chairman.
May we take this opportunity in thanking the many friends who, during the time of our bereavement in the passing of our son, George, have been so kind and comforting to us. Your presence at the funeral was very heart-warming. We also thank you in deep appreciation.

Unable to get organized, the 308 Bomberettes have dropped out of the league.

UNIT I SHIBAI

TO PERFORM

Poston III will again be entertained by the Unit I shibai troupe tonight at 8:30 p.m. Ancient plays, comedies, songs and odori's will be featured.

...
BIG SUMO SHAI SUN!

SUMOISTS FROM POSTON 1, 2, and 3 MATCH IN CENTER'S BIGGEST SHAI-AI

Unit One will act as the host to the biggest sumo tournament ever to be staged in Poston, this Sunday, January 24.

With Camps 2 and 3 sending their best sumoists, it will be a great opportunity to witness their favorite wrestlers in action. The sumoists, too, will be fighting for all they are worth to maintain their wrestling superiority. Also they will be trying to win some of the prizes given away to winners and losers alike in the groups, and to the winners in the A and B groups.

The tournament will be divided into three groups, namely: the A group, the strongest wrestlers, the B group, and the C group. There will be roughly estimated, 60 boys in the A group, 80 in the B, and 150 in the C group.

In order to feed the sumoists from camp 2 and 3, food will be donated by every tenant by the 36 houses in Unit I.

So make a date on your calendar to attend this gigantic event, sponsored by the San Hosbu of Unit I, this Sun., Jan. 24, starting at 9:30 a.m. behind the main canton.

ALL-STAR-BLK. 35 TILT CALLED OFF....DUST

The Hospital All-Star and the BLK. 35 old men softball contest was called off due to a dust storm with the score tied at 4-4.

The game will be played over next Sunday on Powell-Evans field.

GOLDEN BEARS SCALP PARKER INDIANS, 34-24

Though both quintets were handicapped by a dust storm, the smooth clicking Golden Bears five downed the fighting redbirds to the count of 34-24, played on Court 16, last Sun.

This exhibition game went on as scheduled while all "AA" games were postponed.

The visitors took the lead in the 1st quarter with "Dosdeye" Fisher hitting the hoop for 5 points, but Misono Blacks found their range to forge ahead 14-11, at the half-time. The left half was won by both Golden Bears, with T. Evans and J. Hidaka scoring 10 and 6 points respectively.

BLACKBIRDS SUBDUED OCEANSIDE, 21-12

Starting out slowly, the Blackbirds overcame Oceanside 21 to 12. Norinishi led the visitors with 9 points, as did K. Matsuzato of the Oceanside quintet.

BLACKJACKS CLUB GOLDEN BEAR "AYES"

The hard-fighting Blackjacks from BLK. 21 took a quick victory from the Golden Bear 42-22-13. At half-time the 21's were in the lead, 16-2, but from the third quarter on, the Golden Bear Ayes outscored the Blackjacks, 11-6, the rally was too late, however, for the Bears were downed 22-13.

POSTON III. NOT RESPONSIBLE FOR "NO" VOTE ON NET PLAN

Poston III could not be accused as solely responsible for the rejection of the furnishing project plans, it was disclosed at a special meeting of the Unit III Community Council Friday afternoon. Although the margin of decision was very small, and many rumors held Poston III responsible for the defeat of the net plan, officials present at the meeting stated that votes were mixed. In fact, some considered the high percentage of voting indicated the positive interest of Unit III in the project.

Vernon Kennedy, head of the Poston Employment department, denied that any of the units could be blamed for the "suit" the decision.

Mr. Kennedy declared, "I am very disappointed in the cast out of the voting as I had hoped that the project would work out. If the plan had been adopted the whole community would have been benefited by the results that would have come in. I believe that, the opinion of most of the people is that the issue was not clear at the time of voting."

CHANGE OF ADDRESS NEED NOT BE FILED. SAYS HAAS

The Alien Enemy Control Unit of the Dept of Justice has ruled that the original evacuation of persons of Japanese ancestry from the West Coast, or their removal from an Assembly Center to a relocation center, does not constitute a permanent change of address, and therefore change of address notices need not be filed by aliens under the regulations of the Dept of Justice to cover those two moves.

Such notices must be given when aliens depart from a relocation center pursuant to indefinite leave. Change of address notices should be filed with the Immigration and Naturalization Service, the P.B.I., and the U.S. Attorneys.

Red Cross Review

At the informal conference of Red Cross leaders and community representatives from all the Poston Units held Saturday afternoon at Shindo, Shindo, published the Red Cross, reviewed the work accomplished by the local chapter since its inception. Discussion centered around plans for the Accident Prevention Week, Jan. 28-30, and suggestions were made as to future accident prevention in homes, schools, swimming and road hazards.

The work of the Red Cross here through instruction classes in First Aid, Home Nursing and Life-saving in both Japanese and English has been primarily educational, says Mr. Shindo. The classes have been to: (1) help people avoid accident hazards, (2) help eliminate those hazards, (3) help people safeguard themselves again at unavoidable hazards and (4) to help them avoid creating hazards.

Specific suggestions made were: (1) to insist that all pedestrians walk on the left hand side of the street and (2) that blocks have proper adequate outside lighting to prevent night accidents.

The "Coming Out Social" sponsored by the Blk. 59 Boys' Club which was scheduled for last Sat., Jan. 23, has been postponed to this Fri., Jan. 29, due to the bad weather according to Roy Fujita, Boys' club president.

Time and place for the affair will remain the same.

BASKETBALL NOTICE FOR GIRLS

There is an important meeting for all managers of teams interested in basketball on Jan. 30, promptly at 2:00 p.m., Rec. 6. Please bring your rosters and rules and regulations will be given out at that time.
BOYS' CLUB NEWS

To meet the all important recreational needs for the youngsters in their idle hours, George Chida and his capable crew of Boys' Club Division assistants have been consistently creating new and wider fields of activities. The latest one cooked-up is the School of Basketball and Model Airplane Club, both open to all boys under sixteen.

Fundamentals, including dribbling, passing, shooting, footwork, rulings, will be taught at the School of Basketball which is to be divided into six sections with the instructions being handled by the Boys' Club workers and with the assistance of the P.C.A.A.

The sections and instructors are as follows:

Sec. I (Blocks 2, 3, 4, 13, 14, 15, and 16)
G. Tatsuno and T. Okuma

Sec. II (Blocks 5, 6, 11, 12, 22, 26, 27, and 28)
E. Nakamura, Y. Ezaki, and Kaz Satoh

Sec. III (Blocks 17, 18, 19, 31, and 35)
I. Yuki and Mac Okuma

Sec. IV (Blocks 30, 35, 36, 45, and 46)
A. Mochizuki, Shiro Ueda and George Mizuno

Sec. V (Blocks 37, 38, 42, 43, and 44)
S. M. A. and J. Kodawaki

Sec. VI (Blocks 54, 55, 59, and 60)
Hide Ito and T. Yamada

Under supervision of Michael Kamimoto, former U.S. Army Air Corps cadet, the organization of a Model Airplane Club is in the making.

Although only a limited number of model sets will be available, all young boys that are interested in this hobby are requested to sign up at P.C.A.A. HQs.

BEARS TOPPLE VALLEY FOR FOURTH STRAIGHT

MIZUNO SCORES 17 POINTS AS BEARS AVENGE VALLEY, 32-24

Golden Bears chalked up their 4th straight victory over rugged Valley five in a supposedly even-matched game to the count of 32-24, at Court 30, on January 24th.

Those two great teams clashed once before in the City Wide "Open" tournament with Valley emerging victorious by a mere one point, but in last Sunday's game, Golden Bears regained their prestige by chalking up eight digits ahead of Valley.

Holding Kobata to only 3 points during the entire game, the Golden Bears marched through the first half, 11-5, 6 points ahead of Valley. The last half found the victors forging ahead easily with G. Mizuno hitting the loop for 11 points.

High-point honors went to G. Mizuno of the Bears who finally seemed to find the range to ring the basket for 17 digits, followed by Valley's T. Okita with 9 points.

DUKES DOWN BLUES 41-33 IN "AA" CLASH

At the expense of the stubborn Paramount Blues, the Delano Dukes moved up into 3rd spot in the "AA" Sportsmanship League behind the undefeated Golden Bears and Bakersfield, by outscoring the Blk. 44 cagers, 41-33, on Court 12, January 24.

Both teams had loose defense, but each team missed a number of set-ups.

226 JUNIORS WALLOW 209 JUNIORS, 42-15

Running rough-shod over the 209 Juniors, the 226 Juniors, led by Yagi with 19 digits, took an easy American league victory, last Mon. at 226 court.

213 DEFEATS 208 GIRLS

In the league opener the "B" girls of 213 downed 208 dandies by a lop-sided 15-1 count. Tokyo Miyazaka was the bulwark of the 213 defense until accidentally injuring her ankle.
Candidates for permanent Block Managers were nominated on Monday evening at mass meetings held in each block as the term for the temporary block officials neared termination. The new Block Managers will be elected on Friday, it was announced, as interest in the selection of a permanent chief for each block increased. Now names were submitted in every block, and it was pointed out that the old Block Managers would be hard pressed to retain their position.

From the Heart

Mountain Sentinel

The editorial I enjoyed most this week is the one which appeared in the above mentioned paper, concerning the unsung heroes, could be said of those in this center reads as follows: We write today of Mountain's nameless heroes, the men and women who unnoticed and unsung carry out the thousands and one to necessary to the welfare and comfort of the citizens of this city.

Many jobs that make the project mechanized click are not interesting nor glamorous nor educational. It's no fun for mass halls come to rise morning after morning in the frigid dark and go to work while others sleep. But someone must work if everyone is to eat.

The janitors and janitoresses who keep the latrines spotless, the boiler tenders, the greasy monkeys who keep the trucks running, the men who unload freight cars come snow (heat) come frail-they're heroes all.

It is something deeper and finer than monetary returns that sustain these people. Perhaps it might be called community responsibility, or a docent-rooted sense of pride in accomplishing the spirit that discovered in just the word "Morale. Whatever it is, it makes one proud to be associated with these people who carry on under circumstances that might have broken the spirits of lesser individuals.

OILERS DRILL
BERDoo 36-28

Those flashy Bakersfield cagers advanced another step closer to the Sportsmanship League pennant as they "man circled" around San Berdo, winning 36-28 last Sun. afternoon on the Blk. 4 court.

Even against the long passing, fast-breaking Berdo hoopers, the Oilers again showed that they were the invincible team that has yet to taste defeat.

Eddie Nakamura, Bakersfield's star guard and considered one of the best ball-handling artist, tallied 12 points to lead his team scorings, 10 of which were scored in first half.

IMPORTANT NOTICE!!

ELEVEN- AIRES MAKE DEBUT

With the theme "Night in Hollywood", the young men in Block 11, known as the Elevenaires, made their debut but with one of the most elaborate and gain affairs in Boston. The Stardust room, was handsomely decorated to the fashion of a night club with coconut trees placed between the tables.

Refreshments, entertainment, and dancing to the music of Vic Trola and his recordings provided the evening program.

This coming Friday night at Rec. Hall #15, Blks. 2, 15, and 16 will join in on a Song Fest, starting at 7:30.

George Zaira and Fred One are in charge of this program with Chizuko Takashashi accompanying the group on the piano.

FROM THE BENCH

AA Division

Upsetting the strong Caissons last Sunday, the ever-improving Shamrocks set themselves up as a definite contender for the "AA" league crown. Though defeated once by the Green Devils, led by Juchaid Takashita by a scant two points, the 221 quintet boast the most potent front line in the league, Okuma, elusive forward, leads the scoring parade amassing 42 points in two games. Ably covering the left flank and center slot are the Hirata brothers, Bill and Frank, who have registered 20 points apiece. Completing the starting five is another brother combination, Taugi and Dash Kanamori, diminutive and speedy guards, stepping up the team's tempo. The 221 Shamrocks met the lanky 220 Mustangs this Sunday at the letters court.

Only game unplayed last Sunday is the 211 Penguin-214 Green Devils tilt which should prove to be a "hard-fine". Meeting in a pre-league game, the Devils eked out a one point win, 51-50. The 211-214 clash will be played at the 215 court Thursday evening.

A Division

Two top-notch, undefeated "A" teams to tussle this Saturday will be the 215 Zebra vs. 222 Clippers at the 223 court. Pete Nama- moto led 215 Baskets to press the high-scoring Clippers to the utmost. Sabu Oka and Nishiki register
POSTONIANS INVITED TO WIN A VICTORY AGAINST THE ENEMY OF CHILDREN—INFANTILE PARALYSIS

The following letter has been received by the Unit II News Bureau which officially opened the "unofficial" March of Dimes collection as the Poston Two Chronicle office:

"Dear Editor:

January 30th is our President Roosevelt's birthday and throughout the country his anniverssary will be observed with the "March of Dimes."

Today the world is fighting to preserve democracy and to make this a better nation in which to live and to continue enjoying our freedom.

Just as we have all various types of armed forces fighting, we civilians at home could fight the disease which finds victims in defenseless children—infantile paralysis. With our dimes we can fight this disease so that young citizens may actively participate in the American Way of life.

With the enclosed dime may I officially open the March of Dimes to the White House in Poston?

In anticipation for a victorious March of Dimes,

K.T.

A hundred percent response has been made by the press staff of Unit Two. Those desiring to contribute are welcome to bring their dimes to the Chronicle office.

MAJORITY OF BLOCK MANAGERS AND ASSISTANTS ARE ASSURED OF RE-ELECTION IN POSTON UNIT TWO

With many of the block managers and their assistants being re-elected in majority of the blocks in Unit Two the election race will see little or no close contest on February 1.

John Kubota, present manager of 226 and Aideo Takenaga, assistant, were unanimously re-elected in a general open election held in their mass hall.

George Nakaji and Takeshi Toyota, block manager and assistant of 213, were also re-elected at their block gathering.

Recently appointed Takeda Miyake of 221 and his assistant manager, George Nishimura, are expected to be unopposed in the race.

A close race looms in Block 209, as six candidates for manager and six nominated for assistants were named at their recent block meeting.

DRY CLEANING SERVICE WILL BE DISCONTINUED

In an announcement received from the Community Enterprises, it was disclosed that laundry and dry cleaning services will be discontinued until further notice, effective immediately.

The cleaning establishment with which the Community Enterprises arranged the service was located in California.

LIGHT COMEDY FEATURE AT COTTONWOOD TONITE

Main feature at the Cottonwood Bowl Theater tonight at 7:30 p.m. is the 20th Century-Fox production, "Tall, Dark and Handsome" which stars Carole Lombard and Virginia Gilmore.

Short subjects of interest will also be shown, it was announced.

BLOCKS TO VOLUNTEER FOR ADOBE MAKING

In an endeavor to complete the making of the adobe bricks for Poston Two schools the majority of the blocks went on record to volunteer to work at the adobe project, it was reported at the block managers' meeting Tuesday morning.

If the indication of the momentum in the interest of completing the school bricks on schedule is any criterion, the school children's dream of an ideal school will materialize soon. Older brothers and sisters of the school age children are anticipating to participate in the adobe making project.

RADIO REPAIR SHOP TO OPEN IN BLOCK 213

The former ironing room in Block 213 has been transformed into a radio repair shop which will be open soon.

Fred Yashio will be the manager.

REGISTRATION FOR GENERAL CHEMISTRY CLASS STARTED

Residents interested in enrolling in the general chemistry class are urged to register during the dates of Wednesday and Thursday at the press office.

Masao Yasamamoto is the voluntary instructor.
