SO THIS IS DIXIE

SONG

Lyric by
JACK YELEN

Music by
ALBERT GUMBLE

Moderato

Just a moment stranger You'll pardon me,
Guess you must be right cause I've never seen.

I'm afraid that I've lost my way
And I'll be very very much o-

If you'll tell me where I've wan-der'd to
Those who praise it don't say half e-nough.

This is one place
Now I know why

I've never seen before
And I wonder what it can be

AMERICA'S PROBLEM—Ships and food—to send the most food possible in least shipping space
You don't mean to say it's Dix-ie-land
Why they feel so proud when they can say
That I've been long ing to see
Their home is in Dix ie-land

Chorus:

So this is Dix ie So this is Dix ie Well it looks might y good to
me It's no wonder they love it as much as they do Say boy if you live
here I'm jealous of you I want to say I've found an other home to day
right here is where I'm bound to stay So this is Dix ie You're sure it's Dix ie

Why it looks like Heav en to me So this is me So this is Dix ie
