hate to talk about my self, But here's one time I must, Your con f i - dence I'll get so ma ny pre ty girls, I give a few a way, They both er me each
colla voce

trust, I have to speak or bust, It's fun - ny how I get the girls, I day, They're lead ing me a stray, There's lots of fel lows go with girls, And

never try at all, I seem to hyp no tize them, I'm bound to make them fall.
never get their drift, I al ways get the wom en, It's just a na tural gift.
They go wild simply wild over me,
They go mad just as mad as they can be,
No matter where I'm at, All the ladies thin or fat, The tall ones, the small ones, I grab 'em off like that, Ev'ry night how they fight over me, I don't know what it is that they can see, The ladies look at me and sigh, In my arms they want to die, They go wild simply wild over me... They go me... They go wild &c 2
