way, don't try to betray
You, but what ever you do
The land that made you what you are to day
Be fair and prove that you can stand the test.

Chorus well marked
Throw no stones in the well that gives you water,
Is a saying that's old but true.
Remember the story about the cur.
"Don't bite the hand that's feeding you?"
There's a hat in the ring and if it fits you
Put it on, there's a gun goes with it, too;
Throw no stones in the well that gives you water.
Come through, show us what you mean to do.
Throw no do.
