You're A Little Naughty Baby

Words and Music by NAT VINCENT

Some-how I wor-ry each day about you,
I hate to scold you, but dear, don't you see,

You've got me guess-ing and won-der-ing too,
You're just as naugh-ty, as naugh-ty can be,

you nev-er knew... think you'll a-gree
That's why I'm feel-ing so blue:
That you've been tri-fling with me:

Chorus

You're a little naughty baby, I wish you would...

try to be good,

If you don't act like a lady

I'll take you, I'll take you o-ver my knee,

There's a span-kin'

com-in' to you,

'Cause you do things you should-n't do,

You're a naughty baby, Just as naughty as can be.
