After You've Gone

Tune Ukulele

By CREAMER & LAYTON

Moderato

Now won't you listen, dear-ie while I say, -- How could you tell me that you're going away? --
Don't you remember how you used to say, -- You'd always love me in the same old way? --

Don't say that we must part, -- And now it's very strange, --
Goin' away? -- Don't break my ach'ing heart; -- Ever change;--

You know I've loved you truly many years, -- Sometimes I think someone has won your heart. --

Loved you night and day; How can you leave me, can't you
Tempted you away; But let me warn you tho' we're

see my tears? Listen while I say:
miles apart You'll regret some day:

CHORUS

After you've gone, and left me crying; After you've gone, There's no denying,
After I'm gone, after we break up; After I'm gone, You're gonna wake up;

you'll feel blue, You'll feel sad, You'll miss the dearest pal you've
you will find; You were blind; To let somebody come and
ev'ry day; change your mind;

There'll come a time, now don't forget it, There'll come a time,
After the years, we've been together, Their joy and tears,

when you'll regret it; Some day, when you grow lonely,
All kinds of weather; Some day, blue and downhearted,

Your heart will break like mine and you'll want me only, After you've gone,
You'll long to be with me right back where you started; After I'm gone,

After you've gone away.
After I'm gone away.
