Moderato

heart must learn the sadness of the words "Au Re-voir"
win-ter makes a fleeting myth of each bud-ding rose

Ev'-ry

though the

voice

heart must learn the sadness of the words "Au Re-voir"
win-ter makes a fleeting myth of each bud-ding rose

makes us love our loved ones the more

so don't be down-heart-ed for

poco cresc.

bow-er with a blanket of snows

We'll still hide our sor-row for

poco cresc.

after we're part-ed all the world will seem like heav-en when we meet once a-gain

we know to-mor-row will re-turn each rose more sweet and fair when spring fills the air

poco rit.
