IT MUST BE LOVE

Lyric by GUS KAHN

Music by EGBERT VAN ALSTYNE

She was a lonely maid
He heard her sighing
And she'd been crying
That I've been sighing

She said "Don't be afraid Tell me dearie what can the trouble be?"
She said "I don't know what is wrong with me"

SOAP IS MADE FROM FAT. SO DON'T WASTE SOAP.
CHORUS

It's such a funny little feeling - A feeling I just can't explain -
Around my heart it comes a-stealing - It's not an ordinary pain -
My mother says it's indigestion - But since you called me "Turtle Dove"
Why I'm convinced beyond a question - It must be love - It must be love - It's such a love -
