SUNRISE AND YOU

To
H. A. O.

Lyric and Music
By ARTHUR A. PENN

Slowly

Moderately

Far in the East there's a soft, crimson glow, The new day blushes at its
dawning; Soft sing the birds in a ceaseless flow Their
Welcome to the newborn morning. Dull grey shadows, then a flaming sky, Such was the picture when we said goodbye!

Very slowly and with much expression
Sunrise and you, And the soft morning dew, Like the tears on your cheek when we parted. My fond heart awakes When the glorious day breaks, For the
sun-rise reminds me of you!

Out from the depths of a star-less night Comes

radiant morn, to find me longing; Gone are the shadows, my

heart is light, And in my breast new hopes are thronging.
Cold gray dawn will soon have passed, and then

Skies will be smiling when we meet again!

Sunrise and you, And the soft morning dew, Like the tears on your cheek when we parted. My fond heart awakens when the glorious day breaks, For the sunrise reminds me of you!
