Retel Rumor that seventy five thousand dollars has been allotted for construction of approach road is incorrect stop Twenty five thousand dollars has been allotted by Secretary of Interior for commencing construction of Yaqui point trail leaving seventy five thousand which can be used to complete trails within the Grand Canyon National Park or for purchase of Bright Angel Trail stop

Attitude of Interior Department and House Committee on Appropriations is that no money shall be appropriated by Congress for approach road from some point on National Old Trails Highway until United States secures title to the Bright Angel trail
