There's a song in the land of the lily
Thou' good-bye means the birth of a tear drop,

heard with a sigh;

birth of a smile.

O-ver high gar-den walls
And the smile will e-rase

sweet echo falls As a soldier boy whispers goodbye.

tear blighting trace When we meet in the after a while.

CHORUS

\[ \text{a tempo} \]

Smile the while you kiss me sad adieu,

When the clouds roll by I'll come to you; Then the

skies will seem more blue Down in lovers
lane my dearie; Wedding bells will ring so merrily,

Every tear will be a memory So wait and pray each night for me

Till we meet again.
