AFTER ALL
SONG

Lyric by
J. WILL CALLAHAN

Music by
LEE S. ROBERTS

Allegretto

Piano

You've been crying now I can see
When you're sighing dear stop and smile
Don't deny it now It's worth trying dear

Voice

come to me just a while
Tho' the skies are gray clouds hang

low Brush those tears away Don't you know dear
you All your golden dreams Will come true maybe

Chorus

After the nighttime there's always the bright-time Shadows must
After the showers there fade at dawn

Sunshine and flowers To prove that the storm has gone

After the yearning for someone's returning Tear drops will cease to fall

After the sorrow a fairer tomorrow Joy finds us after all
