Allegro moderato

Hello everybody, I have come to take you back with me. To a land of liberty. Here on earth, you make believe you're free. And from here it's not so far away to Gates of Paradise.

Climb with me to the skies.

Refrain

Come to the moon, come to the moon, I'll lead the way to Spoonland. There earthy troubles vanish like bubbles. Each twinkling star has her own solar...
motor car Rents are so high Come to the sky

I can't get back too soon, Life there is

sweet Happiness complete, So climb with me up

to the moon. moon.
