Allegro Moderato

Piano

Soon you will meet Folks on the street,

And you'll want to know the little tune They croon.
I'm one who knows just how it goes.

I will sing that little thing that you're missin', now, listen:

Chorus

Tee-ood-le-um-bum-bo. That's how it goes.

Tee-ood-le-um-bum-bo. The tune that grows.
More chummy

and hummy every day:

So snappy, each happy

Man and miss'li Learn to whistle

Tee-ood-le-bum-bo And then you'll

see

No matter where you go That tune will be

Tee-ood-le-bum-bo
