Two Little Love Birds

Lyric by
BALLARD MACDONALD

Music by
SIGMUND ROMBERG

Pass-ing by a win-dow yest-er-day, dear,

Such a pre-tty pic-ture caught my eye — Just two lit-tle birds,

Just too sweet for words, With no thought for all the pass-ers-by —
Right a-way those lovers brought my thoughts to you and me, If on-ly we could be:

REFRAIN Tenderly

Two lit- tle love birds in Spring-time;

We'd build our nest in a tree

Sweet lit-tle love words, Just like the love birds, Soft- ly you'd sing to me

M.W. & Sons, 16477-3
My little love bird, I'd always cherish and keep you

Cuddled close under my wing, And maybe we would be

blest With an egg in our nest, Just like two little love birds in

Spring love birds in Spring.
