Two yearning eyes blue as the skies

haunt me

Two lips that miss my tender kiss taunt

me

Two loving arms with magic charms want me

MADE IN U.S.A.
In my homeland Virginia my own land Where in the Spring

the robins sing sweetly And roses fair scenting the air

greet me There with the pale moon up above

I found the trail leading to love Down old Virginia way
Take me where the sweet Virginia moon-light beams
there and leave me in my land of dreams
live and love and never-more to stray
Paradise down Old Virginia way

From my

Down Old Virginia Way - 4
Two yearning eyes blue as the skies some day I'll dry your tears
end all your fears some way Lips that are still faithful and true

My kisses will be all for you Down Old Virginia way

Just to live and love and never-more to stray From my

Paradise down Old Virginia way
