Thou shalt not feel the hurt of anything
I shall sustain thee, Peace thy heart shall fill.

I Am Thy God
And Thou Art Child Of Mine

I am thy God, beneath my sheltering wing
Thou shalt not feel the hurt of anything;
For thou art Mine, no evil shall come near.
Rest, my beloved one, there is naught to fear.

Be not distressed by thoughts of future ill,
I shall sustain thee, peace thy heart shall fill.
Lean thou on Me, thy burdens shall I bear;
My peace protects thee always, ev’rywhere.

Bring me thy cares of ev’ry trying hour,
I shall uphold thee with never failing Power.
Be not afraid, just trust my love divine;
I am thy God and thou art child of Mine.
