Andante (slow)

When you find that life's a puzzle
You can't understand

Every story book will tell us
Skies will soon be blue,

Then it's time to look for someone
Still I find the dreams I'm dreaming

Who will understand;
Somebody who will
Never do come true;
Seems as if each to

Some little someone who's lonely and blue will cheer you when things go wrong;
so when the skies above seem clouded look for the little
patch of blue,

Put your best line and hook
