VOICE

Singing is a part of ev'ry creature
In this very ordinary chorus

Ev'rybody likes to hum a tune
There's an old effect that never fails

Let me be your little singing teacher
So we'll ask you to do something for us

I've prepared your lesson you can learn it soon.
While we sing the chorus you go up the scales.

CHORUS

Strike a key and begin with do do re mi and the rest you know.

One two three come along let's go climbing up the scales
Oh what fun going up and when that's all done you go down and then

Ev'ry-one should begin again.
climbing up the scales  A ten- or or a so- pran-
-o
Can try it on a pi- an- o

Strike a key and be- gin with do do re mi and the rest you know

One two three come a- long let's go climbing up the scales.
