To George A. Briggs.

Lead Me All the Way.

VESPER SONG.

Words and Music by
C. S. BRIGGS.

Now the day is closing, Lord, with me abide;

I will never falter If Thou art by my side.
Help me by Thy presence, Hear me while I pray,

Keep Thy loving arms around me All the way,

When the night is dreary, When the day is bright,

In the sunny noonday Or the darkest night;

B. F. W. 2838 - 5
When in joy or sorrow
Help me still to pray—

"Lead me, Heav'n-ly Fa-ther, lead me All the way."

May this gold-en twi-light

Calm my soul to rest;
Help me, Fa-ther, al-ways to
say "Thou knowest best." Keep me close besides Thee, Lest I go astray; Take my hand in Thine, and lead me All the way. When the night is dreary, When the day is
bright, In the sunny noon-day Or the darkest

night; When in joy or sorrow Help me still to

pray— "Lead me, Heavenly Father, lead me All the way."

Optional ending:
