fall are a tri-fle whiter, Where the bonds of home are a wee bit tighter-
That's where the West begins.

With sentiment

Out where the skies are a tri-fle bluer, Out where a
friend-ship's a lit-tle tru-er, That's where the West begins!

Out Where the West Begins 5
Out where a fresher breeze is blowing,
laugh-ter in stream-lets flowing,
less of sow-ing—That's where the West be-gins.

With breadth
Out where the world still is in the mak-ing, Where few-er
hearts in despair are aching, That's where the West begins.

There's more of singing and less of sighing, There's more of

giving and less of buying, And a man makes friends with

out half trying— Out where the West begins!

Out Where the West Begins 5
OUT WHERE THE WEST BEGINS

Out where the handclasp's a little stronger,
Out where the smile dwells a little longer,
    That's where the West begins;
Out where the sun is a little brighter,
Where the snows that fall are a trifle whiter,
Where the bonds of home are a wee bit tighter,
    That's where the West begins.

Out where the skies are a trifle bluer,
Out where friendship's a little truer,
    That's where the West begins;
Out where a fresher breeze is blowing,
Where there's laughter in every streamlet flowing,
Where there's more of reaping and less of sowing,
    That's where the West begins.

Out where the world is in the making,
Where fewer hearts in despair are aching,
    That's where the West begins;
Where there's more of singing and less of sighing,
Where there's more of giving and less of buying,
And a man makes friends without half trying —
    That's where the West begins.
