Chorus
Take me on a Bu-ick honey-moon, dear
Soon
dear, where we can spoon, dear
Let us roam the plains and lanes to-

gath-er The mo-tor won't be miss-ing Neith-er will the
sweet-sweet kissing Then side by side On-ward we'll glide.

What could be sweet-er than to be a Bu-ick bride? We may have a run-a-bout by Juhe But it's got to be a Bu-ick Hon-ey-

moon.
